

Official Resolution Presented by Councilor **MINIARD CULPEPPER**

Be it Resolved, that the Boston City Council extended its Congratulations to:

Dr. Ted Landsmark

In Recognition of:

Your extraordinary service and leadership on the Boston Planning and Development Agency Board, and your unwavering commitment to equity, justice, and community-centered development in the City of Boston. In recognition of your distinguished service on the Boston Planning and Development Agency Board, we recognize the profound impact you have had on neighborhoods across our city by consistently centering the voices, experiences, and needs of residents in decisions that shape Boston's future.

Be it resolved that the Boston City Council recognizes and thanks you for your outstanding leadership and moral clarity throughout your tenure. In rooms where decisions can feel distant from the lived realities of our communities, you have consistently brought the focus back to people—asking the hard questions, pushing for a higher standard, and ensuring that development in Boston is done with our communities, not to them. For neighborhoods such as Roxbury, Dorchester, and Mattapan, your voice helped ensure that long-standing concerns were not only heard, but respected. We also honor your enduring legacy as a civil rights leader, remembering the historic moment on City Hall Plaza and your powerful response—a life defined by service, dignity, and an unwavering belief in Boston's potential to be a more just and inclusive city. Your distinguished career stands as a testament to shaping institutions, guiding generations, and helping Boston grow not only in size, but in conscience.

And be it further Resolved that the Boston City Council extends its best wishes for your continued success; that this Resolution be duly signed by the President of the City Council and attested to a copy thereof transmitted by the Clerk of the City of Boston.
