OFFICIAL RESOLUTION

OFFERED BY

Councilor Sharon Durkan

Be It Resolved, that the Boston City Council Celebrates
The 30th Anniversary of The Friends of the Public Garden:

Green & White Gala

The Green & White, the signature spring event of the Friends of the Public Garden, is an evening that both celebrates and raises critical funds to support the organization's ongoing stewardship of the Boston Common, Public Garden, and Commonwealth Avenue Mall.

Now in its 30th year, this event will bring together hundreds of civic leaders, philanthropists, and community advocates in support of Boston's most treasured greenspaces. The partnership between the City of Boston and the Friends of the Public Garden is a private public partnership that benefits the three parks, and visitors of the parks from Boston and around the world. The Boston City Council extends its deepest gratitude to all who have contributed to the planning and success of the 30th Green & White gala, and commends their continued dedication to advancing the Friends of the Public Garden's mission to renew, care for, and advocate for these special public spaces.
