To: The Honorable Michelle Wu, Mayor  
City of Boston

January 16, 2025

I am writing to formally submit my resignation as Chair of the Board of Election Commissioners, effective January 30, 2026.

After careful consideration, I have decided that it is time for me to step down from this role to pursue other areas of interest and to allow for new leadership to guide the Elections Department forward.

Serving as Chair has been both an honor and a privilege. I am proud of the work we have accomplished in ensuring fair, transparent, and secure elections for the City of Boston.

I would like to extend my deepest gratitude to my fellow commissioners, the department staff, and all those involved in making the electoral process a success for their dedication and collaboration. I am also sincerely thankful for the opportunity to join the Public Facilities Department, which allows me to continue building on my career in public service and to serve the City of Boston in a new capacity.

Thank you for the opportunity to serve in this important role. I look forward to continuing my commitment to public service and wish the City of Boston and the Elections Department continued success.

Sincerely,
