Re: Absence from the Special City Council meeting on Wednesday, June 21, at 12 p.m

Dear Council President Flynn,

I regret that I will be unable to attend the Special City Council meeting on Wednesday, June 21, at 12 p.m, regarding Docket #1132, a message disapproving the Annual Appropriation and Tax Order for FY2024, due to a prior commitment that I am unable to reschedule.

My nephew's graduation ceremony has long been scheduled for the same date and time, and is an event of great significance for both him and our family on a day that we were not scheduled to have a meeting, as I indicated at our Wednesday June 7th meeting when we were thinking additional meetings may be necessary.

I understand the importance of Docket #1132, and I assure you that my absence is not indicative of any lack of interest or concern regarding this matter. I have thoroughly reviewed the communication, and rest assured that I will be diligent in fulfilling all my duties and responsibilities forthcoming.

I believe in the importance of open communication, and I am committed to engaging with my constituents and fellow council members to achieve the best outcomes for our city.

I kindly request that my absence be duly noted, and I would appreciate it if you could share this letter with the City Council. Thank you for your understanding and please do not hesitate to contact me if you require anything or if there is anything I should be aware of. My staff will be attending, and I will thoroughly review the video, hearing minutes, and public testimony. Should you or any member of the public have any questions or concerns, please do not hesitate to reach out to my office directly at 617-635-4376, or at [ruthzee.louijeune@boston.gov](mailto:ruthzee.louijeune@boston.gov).

### AN ORDER FOR A HEARING TO DISCUSS PUBLIC SAFETY AND QUALITY OF LIFE ISSUES FOR OUR RESIDENTS IN PUBLIC HOUSING

- WHEREAS,** The Boston Housing Authority (“BHA”) is the agency statutorily responsible under Massachusetts law “for providing for families unable to afford housing without public subsidies” and “to carry out these responsibilities, BHA develops and manages housing projects and leases housing when necessary.” BHA provides public housing and other affordable housing options to thousands of our most vulnerable residents in the City of Boston; *and*
- WHEREAS,** The BHA’s Administration and Operations Departments are “responsible for day to day management and maintenance of all the BHA housing developments,” including Living Unit Inspections (LUI), annual HUD inspections, resident relations, and lease information. Having a clear understanding of the frequency and impact of these inspections to housing developments, and individual units, will be helpful to advocate on behalf of the residents; *and,*
- WHEREAS,** The BHA’s Department of Police and Public Safety is responsible to “preserve public peace and order, and to protect life and property” in BHA properties. The overall quality of life of our public housing residents, advocating for their safety, and helping lift up their voices is of the utmost importance to us; *and,*
- WHEREAS,** It is imperative that there are reviews on the BHA’s procedures and protocols to maintaining accurate lists of tenants and the dependent children in their care, that there are inspection, enforcement policies, and mechanisms relative to ensuring that all leaseholders are in compliance with BHA lease policies and guidelines, and that all children in BHA housing are officially and accounted for and safe. **AND NOW THEREFORE BE IT**
- ORDERED,** That the appropriate committee of the Boston City Council holds a hearing to assess the Department’s response procedures and protocols relating to public safety in BHA units, particularly the safety of children in BHA housing. ### AN ORDER FOR A HEARING TO DISCUSS THE PUBLIC SAFETY CONCERNS SURROUNDING A 32 YEAR OLD WOMAN ENROLLED IN BOSTON PUBLIC SCHOOLS

**WHEREAS,** The Boston Public Schools allowed a 32 year old woman to enroll in three different schools, under three different names. This woman was a student at Burke High School since October of 2022 and enrolled at English High and Brighton High near the end of the school year; **and**

**WHEREAS,** There are concerns around what documentation the adults, who posed as her foster parents, were allowed to use to register the woman for school. This is a case of extreme fraud, and the School Department will investigate where the breakdown in their system was that allowed an adult to enroll in Boston Public Schools without proper documentation; **and,**

**WHEREAS,** The police report showed that this case was first assigned to the Human Trafficking Unit of the Boston Police and may have been moved to the Crimes Against Children Unit as more information has been uncovered. The Internal Boston Police Report, information from the Department of Children and Families (DCF), and any other information, will help us piece together the many questions surrounding this incident; **and**

**WHEREAS,** This hearing calls for a full investigation by the appropriate authorities into whether any Boston Public School students have been harmed in any way; whether other adults aided the woman's fraudulent enrollment at three high schools and what their involvement entailed; and what was the intent of this woman and the adults who posed as her foster parents; **AND NOW THEREFORE BE IT**

**ORDERED,** That the appropriate committee of the Boston City Council holds a hearing to address these concerns. Representatives from the Mayor's office, Boston Public Schools, Boston Police and other interested parties shall be invited to attend. In addition, members of the public are encouraged to attend.

### RESOLUTION IN SUPPORT OF IN-STATE TUITION FOR UNDOCUMENTED IMMIGRANTS IN MASSACHUSETTS

**WHEREAS,** Education is a fundamental right that should be accessible to all residents, regardless of their immigration status, as it plays a crucial role in promoting social mobility, economic development, and the overall well-being of our communities; *and*

**WHEREAS,** Undocumented immigrants residing in Massachusetts often face significant financial barriers to accessing higher education due to their immigration status, as students with DACA or Temporary Protected Status qualify for in-state tuition, but undocumented students do not – no matter how long they have lived here – and they all are ineligible for federal or state financial aid; *and*

**WHEREAS,** In-state tuition can provide an affordable pathway to higher education for eligible residents, thereby fostering educational equity and increasing access to opportunities for all individuals in the state ; *and*

**WHEREAS,** At least 20 states across the country have laws or policies enabling students to enroll in in-state tuition at public colleges and universities, regardless of immigration status, and many also offer state financial aid, recognizing the importance of providing equitable access to education; *and*

**WHEREAS,** Extending in-state tuition eligibility to undocumented immigrants would not only benefit the individual students but would also have positive economic impacts by creating a more educated and skilled workforce, contributing to the overall growth and prosperity of the state; *and*

**WHEREAS,** As of June 23, 2023, the proposed Massachusetts budget would make all students eligible for in-state tuition, regardless of immigration status, as long as they attend a Massachusetts high school for a period of time; **NOW, THEREFORE BE IT**

**RESOLVED:** That the Boston City Council go on record in support of the Massachusetts Legislature granting in-state tuition eligibility to undocumented immigrants residing in the state, and that copies of this resolution be transmitted to the Massachusetts Governor, Senate President, and Speaker of the House of Representatives to serve as an expression of the City of Boston’s commitment to educational equity and inclusivity for all residents of the Commonwealth.

**CITY OF BOSTON  
IN CITY COUNCIL**

**RESOLUTION CELEBRATING FLAG DAY**

**WHEREAS:** Flag Day is celebrated every year on June 14th in remembrance of the adoption of the flag of the United States in 1777, as it is a national symbol of patriotism and freedom. On this day it is important to express an appreciation for the values and the history that the flag embodies; *and*

**WHEREAS:** In 1775, the "Grand Union" flag, also known as the Continental Colors, was flown in the colonies. It resembled the U.S. Flag as it had thirteen red and white stripes, yet the upper lefthand corner displayed the English flag instead of thirteen stars. This was the first flag flown in the United States, celebrating the creation of the Continental Army and Navy, under George Washington's command; *and*

**WHEREAS:** Adopted by Congress in 1923, the United States Flag Code sought to provide guidelines and instruction on the proper use and handling of the American flag. The code addresses how to maintain proper conduct while displaying the flag, during the pledge of allegiance, and during the national anthem, as well as providing other rules and regulations regarding its use; *and*

**WHEREAS:** The Flag resolution of 1777 was officially adopted and designated as National Flag Day on August 3rd, 1949 by an Act of Congress, which designated June 14th each year as National Flag Day; *and*

**WHEREAS:** In 1960, Hawaii joined the Union, adding a 50th star to the flag, which has been in use ever since; *and*

**WHEREAS:** Today, the American flag is a symbol of justice, freedom, and democracy here in our country and around the world. On Flag Day, we also honor all those who serve in our military, and recommit our support to our veterans, military families and Gold Star families. We also recognize the services of our women veterans and all of whom made sacrifices to protect and defend our nation; *and*

**NOW THEREFORE BE IT ORDERED:**

That the Boston City Council celebrates Flag Day and honors our military servicemen, veterans and their families who proudly serve our city and country.

## CITY OF BOSTON IN CITY COUNCIL

### RESOLUTION RECOGNIZING JULY 5TH, CAPE VERDEAN INDEPENDENCE DAY, AS A MUNICIPAL HOLIDAY OBSERVED BY THE CITY OF BOSTON

**WHEREAS,** On July 5th, 1975, following years of plight and withstanding the clutches of Portuguese colonialism, Cabo Verde, also known as Cape Verde, emerged as a beacon of resilience when they achieved independence, which continues to inspire the world; *and*

**WHEREAS,** This momentous occasion was made possible by the brave and heroic efforts of Cape Verdean leaders such as Amilcar Cabral, Titina Sila, and Francisca Pereira during which Aristides Pereira was the first president and Pedro Pires was the initial Prime Minister; *and*

**WHEREAS,** Under their leadership, the African Party for the Independence of Guinea and Cape Verde (PAIGC) waged a successful armed struggle against the Portuguese; *and*

**WHEREAS,** Cape Verde was one of several West African nations to withstand the effects of colonization prior to reaching national liberation and independence; *and*

**WHEREAS,** PAIGC, the African Party for the Independence of Guinea and Cabo Verde, was the leading organ of this struggle, with Cabral as the leading theoretician; they centered their efforts around the countries of Guinea-Bissau and Cabo Verde; *and*

**WHEREAS,** With an orientation of Pan-Africanism, anti-colonialism, and internationalism, they recognized that their enemy was just one element of the Western, imperialist, project that acted to subjugate Africa and its peoples for centuries; *and*

**WHEREAS,** Cabo Verde was used as one of the largest supply ports during the transatlantic slave trade, the largest forced migration of people in world history; *and*

**WHEREAS,** Their unwavering fortitude empowered them to prevail despite undergoing rapid economic decline, enslavement, natural disasters, Portuguese rule, and mass immigration in pursuit of a better life; *and*

**WHEREAS,** As a result, there are 500,000 Cape Verdeans in the United States, where their rich culture and heritage has made foundational contributions to American society; *and*

**WHEREAS,** Nearly 1 in 5 Cape Verdean Americans live in the state of Massachusetts with the population totaling 50,000 people including significant numbers in cities such as Brockton, New Bedford, and Boston; *and*

**WHEREAS,** Boston is home to the largest, deep-rooted Cape Verdean immigrant community in the Western Hemisphere, with an estimated population of 13,605 people; *and*

**WHEREAS,** Cape Verdeans exercise an influential presence in Boston, contributing with their unique culture made up of food, music, storytelling, language, and art which can be felt across the political landscape, community advocacy efforts, public services, and local businesses; *and*

**WHEREAS,** Considering the prominence of Cape Verdeans and their culture in the city of Boston, their history and achievements should be honored in alignment with ethnic groups that have received recognition in the past; *and*

**WHEREAS,** The strength of the Cape Verdean community is reflected in their hard work, humility, and the difference they have made over generations despite difficult circumstances such as oppression, indigence, miscategorization of identity, and lack of recognition; *and*

**WHEREAS,** Just as “Dia de Kaboverdeanus”, also known as Cape Verdean Independence Day, was officially established 46 years ago, we endeavor to pay tribute to this significant milestone by acknowledging the indomitable spirit of Cape Verdeans in the present day; ***NOW, THEREFORE LET IT BE***

**RESOLVED:** That the Boston City Council and the City of Boston annually recognize July 5th, Cape Verdean Independence Day, as a municipal holiday
