CITY OF BOSTON IN CITY COUNCIL

ORDINANCE CREATING A MUNICIPAL IDENTIFICATION CARD IN THE CITY OF BOSTON

- WHEREAS:** In 2018, the City of Boston released a feasibility study to assess the demand for a City of Boston municipal ID card in partnership with UMass Boston and the Triage Group; *and*
- WHEREAS:** The 2018 feasibility study found that the most popular features desired by Boston residents included free or reduced fares on the T, reduced or free entry to Boston museums, the ability to use as a T pass and library card, access to City programs and services, and discounts at small businesses and grocery stores; *and*
- WHEREAS:** The ability to provide proof of identity is a basic necessity that is taken for granted by individuals that benefit from the privilege of race, class, and citizenship; *and*
- WHEREAS:** An average resident is asked to provide photo identification at numerous points of sale and service on a daily basis including opening a bank account, cashing a check, applying for a job, borrowing a book from the library, and countless other basic services; *and*
- WHEREAS:** The difficulty in obtaining a government-issued photo identification is most likely to affect elderly, African-Americans, Latinx, immigrant, unhoused, disabled, formerly incarcerated, transgender, and low-income residents, who are also most likely to need the services that require a form of identification; *and*
- WHEREAS:** The communities that face the highest barriers to obtaining government-issued photo identification are also the most likely to be asked to display their ID in situations where it is not required; *and*
- WHEREAS:** Barriers to obtaining government-issued photo identification range from high costs of collecting necessary documentation to errors on official documents and lack of transportation to an ID-issuing office; *and*
- WHEREAS:** While the Work and Family Mobility Act is under debate at the state legislature and would allow undocumented residents to receive state-issued ID cards or driver's licenses, a municipal program could provide more flexibility to applicants; *and*

WHEREAS: Offering a municipal ID to residents of Boston, regardless of their immigration status, would allow the City of Boston to make a powerful statement of welcome and inclusion, bolstering its status as a sanctuary city; *and*

WHEREAS: Municipal ID programs in New York City, Chicago, Oakland, Los Angeles, Trenton, Washington D.C., Princeton, San Francisco, and New Haven have all seen widespread success; *and*

WHEREAS: The City of Boston can choose to fill this gap by developing a municipal ID program that not only requires less documentation than state or federal IDs, but also provides more benefits and incentives to participants, allowing for the protection of privacy of its users; **NOW THEREFORE**

Be it ordained by the City Council of Boston as follows:
