TO THE CITY COUNCIL

Dear Councilors:

I transmit herewith for your approval a home rule petition to the General Court entitled "Petition for a Special Law Re: An Act Relative to the Creation of a Branch of the Boston Public Library within an Affordable Housing Development in the Downtown Section of the City of Boston."

Through this special act, the Mayor's Office of Housing (MOH) seeks to ground lease City-owned property at 151 Cambridge Street (the existing West End Library) to a developer selected via a Request for Proposals process who will participate in a redevelopment of the West End Library site, using city and state funds for the development of affordable housing. This project will also create a shell and core space within it that would be conveyed to the Boston Public Library (BPL) at cost, to allow BPL to build out the space as the improved West End branch of the Boston Public Library in Downtown. Creating the branch library within a larger affordable housing development is a way to achieve two much-needed public purposes within one development. This redevelopment necessitates certain exemptions from the Commonwealth's contract procurement and award laws that would permit the level of coordination needed between the private developer and the City needed to accomplish the project. These exemptions will not compromise a fair and transparent process because the City and its selected developer must still adhere to the stringent regulations of any public funding sources.

Although this project is different because it uses City-owned land, several agencies have filed similar special legislation for public/private development projects. Previous special legislation includes projects for the Boston Planning and Development Agency's (BPDA) development project for affordable housing co-located with a branch library space in Chinatown. The Legislature passed that legislation in December 2022. In June 2023, the Legislature also passed special legislation to permit the BPDA and the City to develop a mixed-use project associated with the Upham's Corner branch library. The Boston Housing Authority (BHA) has also filed special legislation for BHA housing located at Whittier Street, Orient Heights, Bromley Heath, Mission Main, Orchard Gardens, Maverick Gardens, West Broadway Homes, and Old Colony, Washington Beech, Franklin Hill, Amory Street, and Lenox-Camden family developments.

I urge your Honorable Body to support this special act so that we can make this redevelopment effort a reality for the West End neighborhood in Downtown Boston and its people who have been in very strong support of a new branch library and affordable housing.

Sincerely,

Michelle Wu
Mayor of Boston

CITY OF BOSTON

IN CITY COUNCIL

WHEREAS, The Mayor's Office of Housing seeks to participate in a mixed-use redevelopment to create affordable housing that includes shell and core space for a branch library in the West End Neighborhood of Downtown Boston. This redevelopment necessitates certain exemptions from the Commonwealth's contract procurement and award laws; and

WHEREAS, Participating in the redevelopment will increase the supply of affordable housing in the neighborhood, as well as provide space for a new and improved branch library, furthering the aims of the Commonwealth's housing and community service initiatives; and

WHEREAS, The exemptions will not contravene the legislative intent behind the affected procurement and public contract laws because the additional regulation and public oversight that accompanies the Boston Public Library's funding sources minimize the risk of unfair competition and misuse of taxpayer funds.

NOW THEREFORE BE IT ORDERED,

That a petition to the General Court, accompanied by a bill for a special law relating to the Mayor's Office of Housing and the Boston Public Library to be filed with an attested copy of this order be, and hereby is, approved under Clause 1 of Section 8 of Article II, as amended, of the Articles of Amendment to the Constitution of the Commonwealth of Massachusetts, to the end that legislation be adopted precisely as follows, except for clerical or editorial changes of form only:

PETITION FOR A SPECIAL LAW RE:

AN ACT RELATIVE TO THE EXPANSION OF A BRANCH OF THE BOSTON PUBLIC LIBRARY WITHIN AN AFFORDABLE HOUSING DEVELOPMENT IN THE WEST END NEIGHBORHOOD OF THE DOWNTOWN SECTION OF THE CITY OF BOSTON

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. Construction and development activity related to redevelopment of a city-owned parcel with an existing library by grant of a ground lease to the developer selected by the Mayor's Office of Housing through a request for proposals for subsidized affordable housing and improved core/shell space for a branch library, or any part thereof, shall not be subject to any general or special law related to the procurement and award of contracts for the planning, design, construction management, construction, reconstruction, installation, demolition, maintenance, or repair of buildings or public works by a public agency, including Chapter 149, Chapter 7C, or Chapter 30, Section 39M of the General Laws, nor shall the acquisition of any interest or disposition of any interest necessary to support the completion of the project be subject to Chapter 30B, Section 16, but it shall be subject to Sections 26 to 27H, inclusive, of Chapter 149 of the General Laws.

SECTION 2. This act shall take effect upon its passage.

RE: Petition #255.16 – The Blue Cross Blue Shield Building, Boston

Dear Mr. Geourntas,

On February 27, 2024, the Boston Landmarks Commission unanimously voted to designate the Blue Cross Blue Shield Building in downtown Boston as a Landmark under the provisions of Chapter 772 of the Acts of 1975, as amended.

According to the Landmarks Commission's statute, a designation approved by the Commission is presented to the Mayor for signing. If the Mayor disapproves the designation, they file the designation form with the City Clerk with objections noted in writing. If no mayoral action is taken on a designation, it is deemed approved by the Mayor after fifteen days.

The statute states that within thirty days following mayoral approval, the City Council can override a designation by a two-thirds vote. In the absence of City Council action, the designation is approved after the thirty-first day.

I appreciate your supervision of this approval process. Please call me at (617) 635-2510 if you have any questions.

RE: Petition #255.16 - The Blue Cross Blue Shield Building, Boston

Dear Mayor Wu:

On February 27, 2024, the Boston Landmarks Commission unanimously voted to designate the Blue Cross Blue Shield Building in downtown Boston as a Landmark under the provisions of Chapter 772 of the Acts of 1975, as amended.

The building at 133 Federal Street, colloquially known as the Blue Cross Blue Shield Building, is significant for its associations with the urban renewal movement that took place in Boston's core downtown area in the 1950s and 1960s. It was the first new building to be erected in the Central Business District since the 1920s, and was one of the earliest buildings erected in Boston in the Brutalist style. It is one of three buildings in Boston designed by Paul Rudolph, and it is especially notable as his first tall building and an early prototype of the idiosyncratic design philosophies that would then influence the remainder of his impactful career. Its distinctive form with Y-shaped, precast-concrete piers and columns, large white quartz aggregate, and an innovative engineering and HVAC system hidden within the nonstructural columns were all a direct challenge to the glass curtain wall, and pushed the boundaries of contemporary architectural discourse. The building contributes to Boston's collection of Brutalist architecture which transformed the city in the 1960s and 1970s, and represents the resulting shift in the design idiom of Boston and the United States from the International style to postmodernism.

The Boston Landmarks Commission asks that you give full consideration to the designation of the Blue Cross Blue Shield Building in downtown Boston as a Boston Landmark.

Please don't hesitate to call me at (617) 635-2510 if you have any questions.

GENERAL CHARACTERISTICS OF THE SITE:

The Hutchinson Building (1924) is a unique and mostly intact example of Classical Revival commercial architecture in the Central Business District of downtown Boston. It was built for noted Boston real estate broker, investor, and developer J. Murray Howe, a founding member of the Real Estate Exchange and Auction Board, which is now known as the Greater Boston Real Estate Board. The building was designed by prominent architect Ralph Harrington Doane, who had been educated at the Massachusetts Institute of Technology and served as consulting architect for the government of the Philippines before opening his Boston office. Doane designed a number of buildings in the Greater Boston area, including Rindge Technical School in Cambridge and Motor Mart Garage in Park Square, for which he was awarded the Harleston Parker Medal by the Boston Society of Architects.

In addition to its significance as an example of Doane's Classical Revival architecture, the Hutchinson Building is representative of the development and growth of the Central Business District in the years following the Great Boston Fire of 1872, which saw a surge in the construction of commercial buildings to accommodate the city's thriving dry goods, shoe, and leather trades. During this period, the expansion of the trolley system and the growing popularity of automobiles led to increased commercial activity in the Central Business District, specifically Washington St. The popularity of automobile use for consumers also led to the widening of roads, including Province St.

The Hutchinson Building was an important contribution to the newly widened Province St. and completed the brand-new street wall.

REPORT OF COMMITTEE CHAIR

March 19, 2024

Dear Councilors,

The Committee on Government Operations was referred *Docket #0171, Home Rule Petition to Ensure Future Inauguration Dates Do Not Fall on a Federal Holiday*, on January 24, 2024. This matter was sponsored by Councilor Brian Worrell.

Summary of Legislation:

The purpose of this Docket is to ensure that City of Boston employees will not be required to work on the Federally observed holiday for January 1st *New Year's Day* solely to participate in and facilitate:

**City Council and/or Mayoral Inaugurations*

**The commencement of the Municipal Year*

Currently, the Federally observed holiday for *New Year's Day* can fall anywhere from December 31st-January 2nd. At the same time, every few years select City employees are required to work on the federally observed holiday for *New Year's Day* due to Sections 8 & 9 of the City Charter, which require elected terms and the City's Municipal year, commence the first Monday in January.

The Docket seeks to accomplish its purpose by petitioning the legislature to approve the proposed amendment to Sections 8 & 9 of the City Charter, which would change requirements under both sections, instead declaring that the terms of office for all elected officers in office, terminate at 10AM on the first weekday after the second day in January following the municipal election, and further, that the Municipal Year shall begin on the first weekday after the second day in January.

Information Gathered:

The Committee held a working session on March 15, 2024. The Chair was joined by the sponsor, Councilors Brian Worrell and John FitzGerald and received two absence letters, one from Council President Louijeune and the other from Councilor Tania Fernandes Anderson.

The Committee reviewed the language of the Ordinance section by section, line by line. With regard to SECTION 1. and SECTION 2., it was decided that both sections will be amended to strike the first sentence citing the City Charter and replace it with the citation for the Special Acts passed by the General Court that created that section of the City Charter. It was decided that

SECTION 2., would be further amended to ensure that "the first Monday of January" is struck and replaced in each place it appears to ensure the municipal year runs from the "first weekday after the second day in January" through the "first weekday after the second day in January."

Summary of Amendments

Based upon discussions amongst the Committee at the working session the Home Rule Petition is amended as follows:

PETITION FOR A SPECIAL LAW RE: AN ACT RELATIVE TO ELECTED TERMS AND MUNICIPAL YEARS

SECTION 1. ~~Section 8 of Chapter 452 of the Acts of 1948~~ ~~Section 8 of the General Provisions~~ is hereby amended by striking "the first Monday of January" and replacing it with "the first weekday after the second day in January."

SECTION 2. ~~Section 9 of Chapter 452 of the Acts of 1948 as amended by Chapter 849 of the Acts of 1969, Section 8 of the General Provisions~~ is hereby amended by striking "the first Monday of January" **in each place it appears** and replacing it with "the first weekday after the second day in January."

SECTION 3.

The provisions of this act are severable and if any provision, or portion thereof, should be held to be unconstitutional or otherwise invalid by any court of competent jurisdiction, such unconstitutionality or invalidity shall not affect the remaining provisions, which remain in full force and effect.

SECTION 4.

This act shall take effect starting with the elected terms and the municipal year that begins on Jan. 5, 2026.

Recommended Action:

The Chair of the Committee on Government Operations, to which the following was referred:

Docket #0171, Home Rule Petition to Ensure Future Inauguration Dates Do Not Fall on a Federal Holiday,

submits a report recommending that this docket **ought to pass in a new draft.**

For the Chair:

Gabriela Coletta, Chair

TO THE CITY COUNCIL

Dear Councilors:

I hereby transmit for your consideration and approval: *An Ordinance creating the Planning Department in the City of Boston.*

For decades, and in contrast to nearly all other major cities, the City of Boston has not had a City Planning Department. This Ordinance will restore planning as a core City function with the same accountability and oversight as all other City departments, by codifying the transition of former Boston Planning and Development Agency (BPDA) staff to a new City Planning Department. The language of this Ordinance also sets the parameters for an effective and sustainable, budget-neutral transition that ensures continuity for critical aspects of staff members' employment benefits.

It is critical that Boston's continued growth should create much needed housing and support a thriving downtown, vibrant neighborhood business districts, and a strong regional economy for healthy, connected communities. This Ordinance is one piece of our administration's plan to implement reforms that chart the course for comprehensive planning, updated zoning, integrated urban design, and predictable development review to achieve those goals. This Ordinance complements several major initiatives undertaken over the past two years, including:

1. **A home-rule petition** passed by your honorable body last April and under review by the State Legislature that would end Urban Renewal, abolish outdated structures, and modernize the focus of our authority away from targeting so-called "blight and urban decay" and instead to enacting affordability, equity, and resiliency citywide;
2. **Restructuring the BPDA** to shift the focus and culture of our work by elevating planning with distinct teams focused on zoning compliance and comprehensive planning that are separate from development review, and elevating design in its own division. In addition, the housing compliance team formerly at the BPDA has already been transferred to the Mayor's Office of Housing which has a robust compliance function to enforce affordability requirements;

3. **Coordinating citywide planning and implementation** by creating the Planning Advisory Council that brings together all cabinet agencies responsible for planning the built environment to establish collaboration and coordination on comprehensive community driven planning, including Streets; Housing; Operations; Finance, Environment, Energy, and Open Space; Equity; Economic Opportunity and Inclusion; and Arts and Culture;
4. **Working to update Boston's zoning code** through completion of neighborhood planning processes inherited from previous administrations and launching Squares + Streets, the first major rezoning effort in decades, focused on neighborhood commercial business corridors that are close to transit and that would benefit from greater housing density and affordability; and
5. **Modernizing development review** through a process to evaluate and improve the Article 80 development review parameters for the first time since its creation, with a mission to enhance predictability and transparency.

In establishing the Planning Department and implementing the reforms above, the City of Boston will transition away from a reactive approach centered on responding to private development proposals, to instead planning proactively for the needs of Bostonians with coordinated citywide efforts for direct accountability, transparency, community engagement, and predictability.

This Ordinance includes three major components:

1. **Codify the purpose and powers of the Planning Department:** The Planning Department's purpose will be to develop comprehensive short and long term plans for Boston's built environment, establishing a consistent and predictable zoning code for the City, advancing exceptional and inclusive design standards, providing predictability to guide development that is responsive to community needs, and planning for the effective use of public real estate. The new City department will retain and clarify all the existing functions of the BPDA. In its current form, the BPDA Board will still function as the Planning Board and approval authority for Article 80 projects, completed plans with zoning language to be further approved by the Boston Zoning Commission, and other land use actions.
2. **Enable financial transfer between the City of Boston and the BPDA:** The creation of a Planning Department will be a budget neutral transition for the City of Boston. For the last several decades the BPDA has been a self-financed entity not tied to direct City oversight, and the Agency had the sole authority to allocate its budget for the functions carried out by staff. Under this Ordinance, the BPDA will transfer funds to the City of Boston in order to financially support the new Planning Department and enable it to carry out its duties as approved through the standard City Council and Administration budget process for all City departments. This act sets forth the mechanisms for this regular transfer of funds to cover the expenses incurred by the City of Boston for performing

these functions, which will include staff payroll, service contracts, property maintenance, administrative expenses, and more.

3. **Ensure continuity of employment conditions for existing staff:** Part of ensuring a stable transition during the creation of the Planning Department is guiding the seamless transition of current BPDA staff to the City of Boston. This act preserves the residency policy requirements under which existing staff were originally hired. In addition, the Home Rule Petition approved by the Council last year and currently under review by the State Legislature would allow former BPDA employees to purchase their EDIC service time in the City of Boston's pension system. Currently, EDIC staff within the BPDA participate in a 401(a) retirement plan program that the City of Boston is restricted from offering. For this reason, current BPDA staff who are over 5 years of service or over 50 years old shall be given the opportunity to elect to stay on the BPDA payroll for the remaining tenure of their service for the sole purpose of retaining the 401(a) program if they do not wish to move to the City of Boston pension system. Staff that choose to preserve this retirement benefit will be treated in the same manner as City employees in every other respect and integrated into the management structures of the relevant City department. These employment steps will enable the vast majority of current BPDA staff to start on the first day of the new budget year (July 1, 2024) as City of Boston employees. After this date, no new employees would be hired to the BPDA, and all new hires supporting these functions will be hired within the City of Boston.

This Ordinance clarifies the functions needed for community-grounded planning to address the urgent and long-term needs of our residents and our city. I urge your Honorable Body to act favorably on the ordinance to help guide us toward a better future together.

Sincerely,

Michelle Wu
Mayor of Boston

Participants may earn a maximum abatement of two thousand (\$2,000.00) dollars per fiscal year and may not receive credit for the certified volunteer services at an hourly rate higher than the minimum wage for the Commonwealth, nor shall the hourly rate be less than the federal minimum wage unless the Commonwealth or the City is advised by the Wages and Hours Division of the United States Department of Labor that the Fair Labor Standards Act does not apply to the program.

2. Participants shall be determined by the Commission by the chronological order of the applicants' submission of a complete and qualifying application. Eligible participants will be placed depending on the availability of open positions.

Services performed after that date are credited toward the next fiscal year's actual tax bill to the extent consistent with the Commission's rules

for the program. The City will provide details of the credit received prior to the issuance of the 4th quarter tax bill.

g. *Exemptions.* Abatements earned by a participant under the program shall not affect a participant's eligibility for any property tax exemptions.

i. *Implementation.* The provisions of this section 12-3.5 shall be effective immediately, but, in accordance with the requirement in M.G.L. c. 59, s. 5K to explicitly state the fiscal year in which the program will be first available, the abatements may not be earned by a participant nor may the abatements be applied to any real estate taxes until the commencement of fiscal year 2008 (i.e. July 1, 2007).

j. *Severability.* If any provision of this section shall be held to be invalid by a court of competent jurisdiction, then such provision shall be considered separately and apart from the remaining provisions, which shall remain in full force and effect.

CITY OF BOSTON IN CITY COUNCIL

RESOLUTION RECOGNIZING NATIONAL EQUAL PAY DAY

WHEREAS: This year, March 12, 2024 marks National Equal Pay Day; *and*

WHEREAS: National Equal Pay Day first began in 1996 as a public awareness campaign to highlight the wage gap between men and women; *and*

WHEREAS: According to the National Committee on Pay Equity (NCPE), the date symbolizes how far into the year women must work to earn what men earned in the previous year, and the date falls on a Tuesday annually as it represent how far into the next work week women must work to earn what men earned the previous week; *and*

WHEREAS: A 2024 U.S. Census Bureau reports that women who work full-time earn 84 cents on the dollar compared with men at the same education level, while women who work seasonally and part-time - which accounts for around a third of women in the U.S. workforce - only makes 78 cents on the dollar, with the pay gap widening further for women of color; *and*

WHEREAS: As we think about how to further narrow the wage gap, we must start by ensuring that women have access to good-paying jobs in a variety of fields as well as access to good quality child care. We must continue to work with industry leaders to provide and open up training and opportunities for women in high-demand fields such as construction and building trades. We must also create work spaces that make high-quality child care services available and/or make child care more accessible and affordable for families; *and*

WHEREAS: While there is so much more work to do, women in leadership positions have been steadily growing. Last year, the Fortune 500 CEO list included a record of 52 women, up from 44 the year before. This is the first time women led just over 10% of Fortune 500 companies, and one can only imagine the untapped potential of women in leadership roles if they are given these opportunities; *and*

NOW THEREFORE BE IT ORDERED:

That the Boston City Council proclaims March 12, 2024 as National Equal Pay Day, recognizes the important skills and contributions women bring to our workforce, and continues to commit to advocating and advancing towards wage equality.
