TO THE CITY COUNCIL

Dear Councilors:

This is the response to the 17F: Order requesting certain information under Section 17F regarding employment contracts for various Commissioners in the City of Boston. (Docket #1002 passed by Council on 5/13/2026).

The employment contracts for Boston Police Commissioner Michael Cox, Boston Fire Commissioner Rodney Marshall, and for Boston Public Schools Superintendent Mary Skipper are attached.

Executive Director Henry Vitale's contract is held by the Boston Water and Sewer Commission, not the City of Boston, and therefore must be requested from that body.

Finally, you requested the contracts of "Any other current city employee that was fired through/with an employment contract." These records are personnel records exempt from disclosure pursuant to the public records law and therefore are not provided herein. See M.G.L. c. 4, § 7(26)(c).

Sincerely,

Michelle Wu
Mayor of Boston
