CITY OF BOSTON IN CITY COUNCIL

ORDINANCE PREVENTING WAGE THEFT IN THE CITY OF BOSTON

WHEREAS: Labor and employment practices such as illegal misclassification of employees, lack of economic and social benefits associated with regular employment, and off-the-books employment are harmful to employee rights; *and*

WHEREAS: Wage theft is often accompanied by employer tax and insurance fraud, with employers failing to pay their payroll taxes and workers compensation premiums; *and*

WHEREAS: In June 2021, a UMass Amherst study estimated that in Massachusetts, misclassification of employees in the construction industry had led to \$24.5 million to \$40.6 million in shortfall in the state's unemployment insurance fund for 2019; *and*

WHEREAS: The City of Boston spends hundreds of thousands of dollars each year for procurement of various goods, services, and labor across every City department and agency; *and*

WHEREAS: The high cost of wage theft to the City, its business community, and its residents impedes the City's economic development and growth; *and*

WHEREAS: Requiring city contractors, subcontractors and bidders to comply with applicable federal and state wage laws, strengthens the City's ability to hire vendors that treat their employees fairly; *and*

WHEREAS: Due to the pervasiveness of wage theft in the construction industry, significant financial incentives are necessary to motivate property owners and their general contractors to take steps sufficient to ensure that wage theft does not occur on their projects; *and*

WHEREAS: Prohibiting the City from contracting with debarred vendors for the period of debarment will help to ensure that City resources are not used to support house vendors debarred for wage law violations; *and*

WHEREAS: Studies have repeatedly shown that wage theft is concentrated among low-wage workers, and particularly women, minorities, non-US citizens, and non-union workers; *and*

WHEREAS: The Boston City Council has a duty to protect employees from predatory employer practices like wage theft; **NOW THEREFORE**
