

Official Resolution

presented by

Councilor At-Large Henry Santana

Be it Resolved, that the Boston City Council
Extends its Congratulations and Recognition to

Veronika Testa

In recognition of:

Your incredible courage, quick thinking, and deep compassion during the recent emergency outside Tufts Medical Center. When the crash happened, you ran without hesitation toward the scene. You first cared for a man bleeding from the head, then comforted another who was pinned under the truck and unresponsive. You stayed with him until paramedics arrived, offering calm, presence, and care when it was needed most. You created space for others to step up, and your leadership turned a moment of chaos into one of shared humanity. “It was a team effort,” you said. And in those words is the heart of who you are. You reminded us what it means to be a nurse and what it means to be human. Thank you for leading with courage and compassion when it mattered most.

and Be it further Resolved that the Boston City Council extends its best wishes for continued success; that this Resolution be duly signed by the President of the City Council and attested to and a copy thereof transmitted by the Clerk of the City of Boston.
