

City of Boston IN CITY COUNCIL

OFFICIAL RESOLUTION

OFFERED BY

Councilor Sharon Durkan

Be It Resolved, that the
Boston City Council Recognizes:

The Immunology Department Staff at BCH

FOR THEIR DEDICATED SERVICE DURING THE COVID-19 PANDEMIC

The Boston City Council recognizes the Immunology nurses, physicians, technicians, clinical assistants, and administrative staff at Boston Children's Hospital (BCH) for their dedication and service during the COVID-19 Pandemic. Since its founding in 1869, Boston Children's Hospital has provided exceptional care to Greater Boston through the compassion and leadership of its medical professionals and staff. Throughout the pandemic, the Immunology Department remained fully operational, ensuring that children across Boston and the Commonwealth with asthma, allergies, and immunologic and rheumatologic conditions continued to receive care while helping prevent unnecessary emergency department and urgent care visits. The Boston City Council commends the Immunology Department staff for their frontline work during the COVID-19 pandemic and extends its gratitude for their unwavering commitment and compassion in delivering essential care.
