TO THE CITY COUNCIL

Dear Councilors:

I hereby transmit for your approval an Order authorizing the City of Boston, acting through its Mayor's Office of Housing, to accept and expend payments in the amount of Forty Million Dollars (\$40,000,000) given to the City of Boston's Inclusionary Development Policy Fund.

The City of Boston's Inclusionary Development Policy Fund (IDP) was established by Executive Order in February 2000 to support the production and preservation of affordable housing in new market rate housing developments. The IDP requires all developers of residential development projects with ten or more units to include affordable units in their projects as a condition of receiving relief from the Boston Zoning Code. Further, the Executive Order provides the option for developers to make contributions to the IDP Fund in lieu of providing on-site affordable units, subject to the approval of the Boston Planning and Development Agency (BPDA).

At the inception of the Policy, the Fund had been maintained and administered by the BPDA. In September 2013, the administration of the IDP was transferred from the BPDA to the Mayor's Office of Housing.

I urge your Honorable Body to adopt this Order expeditiously so that the City may accept the funds and expend them for the purposes for which these funds were given.

Sincerely,

Michelle Wu

REPORT OF COMMITTEE CHAIR

April 22, 2022

Dear Councilors,

Docket #0347, Message and order authorizing the City of Boston to accept and expend the amount of Two Hundred Sixty-Six Thousand Five Hundred Dollars (\$266,500.00) in the form of a grant for the FY22 Local Cultural Council Program, awarded by the Massachusetts Cultural Council to be administered by the Mayor's Office of Arts & Culture. The grant will fund innovation arts, humanities and interpretive sciences programming that enhance the quality of life in our city.

This matter was sponsored by the Administration, and referred to the Committee on March 9, 2022. The Committee held a public hearing on April 21, 2022. Kara Elliot-Ortega, Chief of Arts and Culture and Jennifer Falk, Chair, Boston Cultural Council testified in support of this matter.

Summary of Legislation: Ms. Elliot-Ortega provided an overview of the grant program, explaining that this FY22 grant is an annual allocation from the Local Cultural Council Program that was awarded by the Massachusetts Cultural Council to be administered by the Mayor's Office of Arts and Culture. She explained that for the third year, the City works with the Boston Cultural Council (BCC) to distribute grants for general operating support to organizations with budgets under \$2 million.

Ms. Elliot-Ortega noted that in response to the disparities highlighted by the pandemic, the BCC made the decision to change the funding structure so that organizations with the lowest budget receive the highest amount as this strategy aims to better support emerging to medium size organizations who do not typically have funding available to support their programming and to ensure equitable distribution funding to the Boston's arts and culture communities. She talked about the Arts and Culture funding sources including the \$2.78 million that was awarded this year through Reopen Creative Boston Funding which is a one-time funding source, allocated through American Rescue Plan Act (ARPA) to support the recovery of art and culture organizations from the economic impacts of COVID-19. It was reported that 192 applicants were awarded funding out of 241 applicants received. Ms. Elliot-Ortega explained that the majority of the applicants are receiving a combination of BCC and ARPA funds. She explained

that the most represented categories of work were in music and art education. She further noted that 23% were first time applicants.

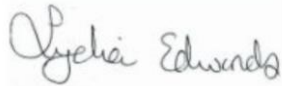

Grant size was overviewed and it was explained that the grant ranges from \$2,000 to \$63,000 which was based on the criteria from the BCC and the Mayor's Office of Arts and Culture. REPORT OF COMMITTEE CHAIR

April 21, 2022

Dear Councilors,

The following dockets were referred to the Committee on City Services and Innovation Technology:

Docket #0402, message and order for a supplemental appropriation of Two Million Nine Hundred Fifty Four Thousand Eight Hundred and Twenty Eight Dollars (2,954,828.00) to cover the FY22 cost items contained within the collective bargaining agreement between the City of Boston and AFSCME.

Docket #0403, message and order to reduce the FY22 appropriation for the Reserve for Collective bargaining by Two Million Nine Hundred Fifty Four Thousand Eight Hundred and Twenty Eight Dollars (\$2,954,828.00) to provide funding for various departments for FY22 increases contained within collective bargaining agreement between the City of Boston and AFSCME.

These matters were sponsored by the Administration, and referred to the Committee on March 23, 2022. The Committee held a public hearing on April 19, 2022.

Summary of Legislation:

The parties reached an agreement that covers the current operating expenses of the fiscal period commencing July 1, 2021 and ending June 30, 2022, in the sum of \$2,954,828.00. The said sum, to be met from available funds and taxation pursuant to Section 23 of Chapter 59 of the General Laws, include an annual wage increase and several policy modifications.

The annual wage increase pattern of this agreement is as follows, to be applied retroactively:

- Effective October 2020 2%
- Effective October 2021 1.5%
- Effective October 2022 2%

The agreement also contains the following language changes/policy modifications:

- Addition of Juneteenth as a recognized holiday.
- Two Wellness Days, that may be used before the end of the 2022 Calendar year, will be provided to regular, full-time, active status AFSCME members hired before the agreement was signed who are or become fully vaccinated or have or receive a medical or religious accommodation from such vaccination but submit weekly COVID-19 testing result.
- In recognition for work during the COVID-19 pandemic, AFSCME members employed as of the date of the parties' agreement will receive a one-time only, non-precedent-setting, lump sum payment of \$1,000.

Information Gathered at the Hearing:

Director of the Office of Budget Management James Williamson and Senior Advisor to the Mayor Louis Mandarinini testified on behalf of the Administration.

Director Williamson explained that the two dockets ask for authorization to move money from the FY22 collective bargaining reserve to various departments, in order to fund the current recently ratified contract between the City and Salaried Employees of American Federation of State, County, and Municipal Employees (AFSCME) AFL-CIO, Council 93.

Mr. Williamson explained that there are 1040 AFSCME members across various city departments, which, through the appropriation, will be allocated the specific amounts needed to fund FY22 cost increases, and next year the cost increases will be included in the departments' budgets. He stated that during this round of bargaining the parties reached a three-year agreement from July 1, 2020 through June 30, 2023 with an estimated \$5.9 million cost over three years.

Discussed and overviewed were the contract's provisions including two wellness days and a one-time lump sum payment of \$1,000 in recognition of AFSCME frontline employees who worked through the pandemic. It was reported that city-wide, AFSCME represents approximately 1,040 members working throughout the City of Boston, particularly in the Department of Public Works, Transportation, Parks and Recreation, Police, Fire, and Inspectional Services. He stated that following approval of this appropriation, there will be approximately \$5 Million left over in the collective bargaining reserve.

Mr. Williamson stated that this contract is both fiscally responsible and responsive to the union.

REPORT OF COMMITTEE CHAIR

April 20, 2022

Dear Councilors:

The Committee on Ways and Means was referred the following dockets for consideration:

Docket #0463, message and order for your approval an order authorizing the City of Boston to submit to the Massachusetts School Building Authority (MSBA) two Statements of Interest.

Docket #0464, message and order for your approval a revised order authorizing the City of Boston to submit to the Massachusetts School Building Authority (MSBA) Statements of Interest for its Accelerated Repair Program for the following schools: Haley Pilot School, Curley K-8 School Lower Building, Burke High School, Henderson K-12 Inclusion School Upper Campus, Ohrenberger School, and English High School.

These matters were sponsored by the Administration. They were referred to the Committee on Ways and Means on April 6, 2022.

Summary of Legislation

Docket #0464 requests approval to submit Statements of Interest (SOI) for funding consideration from the Massachusetts School Building Authority (MSBA) Accelerated Repair Program (ARP) to address window, door, and boiler deficiencies at the following schools:

- Haley Pilot School, Roslindale – Boiler
- Curley K-8 Lower Building, Jamaica Plain – Boiler
- Burke High School, Dorchester – Boilers
- Henderson K-12 Upper Campus, Dorchester – Roof
- Ohrenberger, West Roxbury – Roof
- English High School, Jamaica Plain – Roof and Windows

Docket #0463 requests approval to submit to the MSBA SOIs for the Blackstone School and the Otis School. The SOIs describe and explain the deficiencies and the priority categories for which the City of Boston may be invited to apply to the MSBA in the future.

The SOI is the first step in a process to engage in discussion with the MSBA (the State authority that oversees construction for public schools throughout the Commonwealth and is funded by a

small portion of the State sales tax) for potential funding, which would reimburse the City for a percentage of the cost of certain repairs.

The SOIs under Docket #0464 are for the MSBA ARP, which covers projects involving repair or replacement of roofs, windows/doors, and boilers in otherwise structurally sound facilities. The proposed repairs will not only materially extend the useful life of the schools and preserve Boston Public Schools' assets, but provide a comfortable and pleasant environment more conducive to learning for the students, and also provide energy-efficient and cost saving upgrades, which will result in direct operational savings for the school district. The SOIs under Docket #0463 will be submitted for the MSBA Core Program, which supports facility projects covering extensive repairs, renovations, addition/renovations, and new school construction.

Information Received at Hearing

The Committee held a public hearing on Dockets #0463 #0464 on Tuesday, April 19, 2022. David Bloom, Deputy Chief Financial Officer at Boston Public Schools (BPS), Indira Alvarez, Chief Operations Officer at BPS, Brian Forde, Director of Facilities at BPS, Kerrie Griffin, Director, Public Facilities Department (PFD), and Morgan McDaniel, Director of Strategic Capital Investments, testified on behalf of the Administration.

Mr. Bloom gave an overview of MSBA, stating that it is a state agency that provides additional funding to local districts to be able to conduct facility improvements and construct new school buildings. He stated that there are two main programs operated by the MSBA. The Core Program supports projects covering extensive repairs, renovations, addition/renovations, and new school construction. The Accelerated Repair Program (ARP) supports projects covering repair or replacement of roofs, windows/doors, and boilers in an otherwise structurally sound facility. Mr. Bloom discussed the City's relationship with the MSBA programs, stating that BPS has been approved for approximately \$206 million reimbursements from the MSBA since 2015, which helped fund 31 school projects.

It was explained that the two dockets represent authorization to submit SOIs for two Core projects (Docket #0463) and a correction to the previously approved ARP SOIs for six schools (Docket #0464). Regarding next steps, the MSBA will review SOIs over summer and fall 2022, leading to decisions in late fall 2022/early winter 2023, following which BPS would return to the Council for funding authorizations.

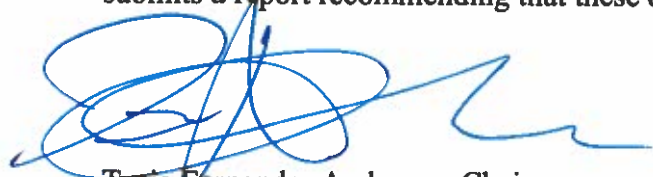

Committee Chair Recommended Action:

The Chair of the Committee on Ways and Means, to which the following were referred:

The SOI is the first step in a process to engage in discussion with the MSBA (the State authority that oversees construction for public schools throughout the Commonwealth and is funded by a

small portion of the State sales tax) for potential funding, which would reimburse the City for a percentage of the cost of certain repairs.

The SOIs under Docket #0464 are for the MSBA ARP, which covers projects involving repair or replacement of roofs, windows/doors, and boilers in otherwise structurally sound facilities. The proposed repairs will not only materially extend the useful life of the schools and preserve Boston Public Schools' assets, but provide a comfortable and pleasant environment more conducive to learning for the students, and also provide energy-efficient and cost saving upgrades, which will result in direct operational savings for the school district. The SOIs under Docket #0463 will be submitted for the MSBA Core Program, which supports facility projects covering extensive repairs, renovations, addition/renovations, and new school construction.

Information Received at Hearing

The Committee held a public hearing on Dockets #0463 #0464 on Tuesday, April 19, 2022. David Bloom, Deputy Chief Financial Officer at Boston Public Schools (BPS), Indira Alvarez, Chief Operations Officer at BPS, Brian Forde, Director of Facilities at BPS, Kerrie Griffin, Director, Public Facilities Department (PFD), and Morgan McDaniel, Director of Strategic Capital Investments, testified on behalf of the Administration.

Mr. Bloom gave an overview of MSBA, stating that it is a state agency that provides additional funding to local districts to be able to conduct facility improvements and construct new school buildings. He stated that there are two main programs operated by the MSBA. The Core Program supports projects covering extensive repairs, renovations, addition/renovations, and new school construction. The Accelerated Repair Program (ARP) supports projects covering repair or replacement of roofs, windows/doors, and boilers in an otherwise structurally sound facility. Mr. Bloom discussed the City's relationship with the MSBA programs, stating that BPS has been approved for approximately \$206 million reimbursements from the MSBA since 2015, which helped fund 31 school projects.

It was explained that the two dockets represent authorization to submit SOIs for two Core projects (Docket #0463) and a correction to the previously approved ARP SOIs for six schools (Docket #0464). Regarding next steps, the MSBA will review SOIs over summer and fall 2022, leading to decisions in late fall 2022/early winter 2023, following which BPS would return to the Council for funding authorizations.

ORDINANCE PROVIDING FOR REMOTE PARTICIPATION IN MEETINGS OF PUBLIC BODIES

- WHEREAS*, On March 10, 2020, Governor Baker declared a state of emergency due to the outbreak of the 2019 novel Coronavirus (COVID-19), and on March 12, 2020, he issued an Executive Order Suspending Certain Provisions of the Open Meeting Law enabling public bodies to carry out responsibilities while providing remote access to the public; *and*
- WHEREAS*, On May 28, 2021, Governor Baker issued an Executive Order, effective June 15, 2021, terminating the Massachusetts state of emergency and the March 2020 Executive Order suspending provisions of the Open Meeting Law; *and*
- WHEREAS*, On June 16, 2021, Governor Baker signed into law Chapter 20 of the Acts of 2021, section 20 of which extended provisions for remote meetings and hearings by public bodies until April 1, 2022, and on February 12, 2022, Governor Baker signed into law Chapter 22 of the Acts of 2022, sections 8 through 10 of which further extended provisions for remote meetings and hearings by public bodies until July 15, 2022; *and*
- WHEREAS*, The Governor’s Executive Orders and guidance of the Attorney General demonstrate the capability of permitting the convening of a public body through virtual means and allow real-time public access to the activities of the public body; *and*
- WHEREAS*, Many important functions of municipal governance are executed by public bodies in meetings that are open to the public in order to ensure active public engagement with, contribution to, and oversight of the functions of government; *and*
- WHEREAS*, Since prior to the COVID-19 pandemic, meetings of certain public bodies in the City of Boston are already broadcast live on Comcast Xfinity, RCN, Verizon Fios, and online, but these provisions do not make remote participation through public comment possible; *and*
- WHEREAS*, Remote access is the latest instance of universal design—alongside curb cuts, elevators, closed captioning, audiobooks, and other features—that began as accommodations and expanded to universal popularity as permanent features eliminating hindrances; *and*
- WHEREAS*, Remote access to meetings of public bodies serves to advance the public good, removing long-standing barriers to participation in policymaking for residents with disabilities, seniors, people with limited access to transportation, and people with work and family obligations that otherwise prevent them from spending hours at municipal buildings; *and*
- WHEREAS*, Live streaming and remote participation allow for members of the public to tune in and participate remotely from every corner of the City of Boston, regardless of what conditions may keep them from physically attending in-person; *and*
- WHEREAS*, COVID-19 pandemic-related provisions for remote participation demonstrate the potential for the future of work and the importance of equitably accessible civic engagement in public processes through virtual access in a 21st century democracy; *and*
- WHEREAS*, For some, remote participation is a matter of convenience, but for too many, such options opened the door to meaningful engagement for the first time, and as pandemic restrictions are lifted, it is imperative to codify remote participation provisions beyond the July 15, 2022 deadline, particularly for those previously left out; *NOW, THEREFORE*

**ORDER FOR A HEARING TO DISCUSS INCREASING ACCESS TO
SWIMMING LESSONS AND AWARENESS OF WATER SAFETY**

- WHEREAS:** As a city surrounded by water, it is vital for our young people to have basic water safety awareness and that they know how to swim. Past tragedies highlight the need for free or low-cost swimming lessons for young people, particularly children from immigrant families, and children of color; *and,*
- WHEREAS:** In May of 2021, there were 18 drownings, more than the previous three Mays combined. Last July, 19-year old Boston resident Joao Alves Teixeira drowned while swimming off Castle Island in South Boston; *and,*
- WHEREAS:** These tragedies are particularly likely to affect Black and low-income residents. A 2017 study from the University of Memphis found that 66 percent of Black children could not swim well enough to be safe in the deep end. Only 36 percent of white children lacked the same basic swimming skills. According to the Centers for Disease Control and Prevention, Black children are almost six times more likely to die from drowning than white children; *and,*
- WHEREAS:** Low-income children are also less likely to be competent swimmers. According to the report by USA Swimming, 79 percent of children in families that bring in less than \$50,000 in annual income have little or no swimming ability; *and,*
- WHEREAS:** For students and children with disabilities, there is a lack of swimming lessons and programs that cater to them, which makes it more difficult for them to participate in swimming and water activities; *and,*
- WHEREAS:** There is also, unfortunately, a staffing shortage for lifeguards, as recently, the Mattapan Mildred Avenue pool - the only public pool in the neighborhood - was forced to close due to lifeguard shortages. The Thomas M. Menino YMCA in Hyde Park also had to close its pool due to the lack of lifeguards; *and,*
- WHEREAS:** In early April, only 7 of the 17 BCYF public pools are open, and only two of those pools are opened in neighborhoods with an area median income that is lower than the city's average. This further limits the accessibility and availability of swimming lessons and water activities, especially for low-income families and communities of color; *and,*
- WHEREAS:** To prevent drowning incidents and ensure that all residents—regardless of race and income—have the basic skills to be safe around water, the City should consider ways to expand access to free swimming lessons for children and adults, as well as more ways to train and recruit lifeguards; *and,*

WHEREAS: In 2021, Mayor Janey launched the Swim Safely Partnership for residents of Roxbury, Dorchester, Hyde Park, and surrounding communities. The initiative is a partnership with the YMCA, and it offers free swimming lessons to adults and children, free training for lifeguards, and hopes to implement a pilot program for free swimming lessons for BPS students; *and,*

WHEREAS: BPS and BCYF should strengthen partnerships with local organizations to provide opportunities for children from low-income communities and communities of color to explore the Waterfront and Harbor Islands; *and,*

WHEREAS: Pools and beaches have been historically segregated, resulting in a lack of skill and reduced use of public pools; the city of Boston has a responsibility to correct this inequity by getting creative and investing the proper resources to expand access and safety in our communities.

NOW THEREFORE BE IT ORDERED:

The appropriate Committee of the Boston City Council holds a hearing to discuss measures to provide free and low-cost swimming resources to Boston residents; representatives from BPS, BCYF, local non-profits, and other relevant and interested parties shall be invited to attend.

WHEREAS, Newly released returning citizens, including parolees and probationers, face chronic homelessness and housing instability require dedicated financial housing supports and assistance, including providing a continuum of care of job training and placement, vocational training, credit building, primary health care, mental health, wellness, and substance abuse programs; *and*

WHEREAS, Federal and State funds for Boston's Covid-19 recovery can create the opportunity to invest in our formerly incarcerated individuals and housing that makes Boston a more equitable city while creating a city that prioritizes stability for those who need it the most; *and*

WHEREAS, Our prison and punishment system upholds a structurally racist society by disproportionately imprisoning those in Black and Latinx communities and perpetuates those inequities by providing resources for housing opportunities those recently released from incarceration; ***NOW, THEREFORE BE IT***

MAKING EID AL-FITR A HOLIDAY
RECOGNIZED BY THE CITY OF BOSTON

- WHEREAS,** We are incredibly fortunate to live in a cosmopolitan city with a great variety of people and cultures; *and*

- WHEREAS,** That, considering this centrality, I propose that Eid al-Fitr be recognized as a city wide holiday beginning in the year 2023; *and*
- WHEREAS,** That, not only is this the correct action from a standpoint of moral consistency and decency, but that it makes also sense from a practical point of view; *and*

WHEREAS, That, in the global realm, there are 1.8 billion Muslims, second only to the 2.3 billion Christians, and that by 2060, it is predicted that there will be an even amount of followers of both faiths; *and*

WHEREAS, That such statistics clearly explicate that Islam is one of the world's leading religions, with significant roots at the local, state, national, and international levels; *and*

WHEREAS, That, as such, its tenets, holidays, and festivities deserve to be honored and acknowledged along the same lines as its great religious counterparts; **NOW, THEREFORE BE IT**

RESOLUTION IN SUPPORT OF GREATER BOSTON STARBUCKS WORKERS UNITED

- WHEREAS*, Starbucks workers in over 200 of 9,000 company-operated stores nationally, including here in Boston, have filed to unionize, demonstrating their desire to be represented by unions such as Starbucks Workers United, an affiliate of the Service Employees International Union; *and*
- WHEREAS*, Employees of sixteen Starbucks stores in Massachusetts have filed to unionize, including seven in Boston located at 1304 Commonwealth Avenue near Packard’s Corner (Allston), 217 Western Avenue at Continuum (Lower Allston), 1948 Beacon Street at Cleveland Circle (Brighton), 364 Brookline Avenue at Beth Israel Deaconess Medical Center (Longwood Medical Area), 443 Boylston Street (Back Bay), 125 Summer Street (Downtown), and 627 Tremont Street (South End); *and*
- WHEREAS*, Ballot counts on April 11, 2022 resulted in two Boston-area stores unanimously becoming the first Starbucks to unionize in Massachusetts – the Commonwealth Avenue store in Allston by 11 to 0 and the Coolidge Corner store on 277 Harvard Street in Brookline by 14 to 0; *and*
- WHEREAS*, Workers of Starbucks stores at Continuum in Lower Allston, Cleveland Circle, and Beth Israel in the Longwood Medical Area will have ballots counted on May 3, 2022, and more stores are anticipated to file for unionization and hold elections in the months to come; *and*
- WHEREAS*, Starbucks baristas are among the service industry’s essential workers, serving members of the public despite working conditions impacted by workforce shortages and shifting public health safety measures throughout the COVID-19 pandemic, and they deserve to have a voice on the job and a seat at the table to negotiate wages, benefits, and working conditions; *and*
- WHEREAS*, In response to its employees’ organizing efforts, Starbucks has launched an intensive anti-union campaign to thwart the union effort, and on July 21, 2021, the National Labor Relations Board (NLRB) found that Starbucks unlawfully retaliated against two Philadelphia baristas in response to their unionization efforts and ordered the company to cease and desist from interfering with their workers’ rights (04-CA-252338, et al.; JD-27-21); *and*
- WHEREAS*, On December 9, 2021, Starbucks workers at the Elmwood store in Buffalo, New York voted 19 to 8 to unionize despite months of union-busting tactics including the company reportedly dispatching more than 100 executive and management personnel from other parts of the country to twenty Buffalo-area stores, attempting to stop unionization with threats of losing benefits and temporarily closing stores, frequent group “listening sessions” and one-on-one meetings with Starbucks workers, all in an attempt to pressure the workers to “Vote No”; *and*
- WHEREAS*, On February 23, 2022, the NLRB denied the Starbucks’ petition for voting by regional district, ruling instead that Starbucks workers may organize for a vote store-by-store; *and*
- WHEREAS*, On February 8, 2022, seven Starbucks employees involved in unionization efforts were terminated in Memphis, Tennessee; on March 15, 2022, the NLRB Regional Director for Phoenix, Arizona issued a complaint accusing Starbucks of retaliating against two employees who sought to unionize their store (28-CA-289622); on April 13, 2022, NLRB investigators in Phoenix filed a second complaint alleging mistreatment of employees, including discipline, interrogation, and coercive statements (28-CA-291044); *and*

- WHEREAS,* Starbucks workers organizing in Boston have reportedly been subject to increased corporate pressure and surveillance, voicing shared experiences of upper management and corporate personnel, many whom baristas have never met, sitting in their cafes and observing baristas for several hours a day, while workers from two Greater Boston stores have additionally reported store surveillance technology upgrades soon after filing petitions to unionize; *and*
- WHEREAS,* Starbucks workers throughout Boston have reported being subject to captive audience sessions in which corporate personnel shared misleading and/or inaccurate information about the union in order to persuade workers not to unionize, and workers have complained of a lack of communication from management as to whether such meetings are mandatory; *and*
- WHEREAS,* Greater Boston Starbucks workers have been required to attend one-on-one meetings with Store Managers, and occasionally District Managers, in which they received misleading and inflammatory information about unions and been informed they will not be eligible for summer raises or other employment benefits because of the ongoing union drive; *and*
- WHEREAS,* Local Starbucks workers have reported inaccurate and misleading messaging regarding the petitioning process being posted by corporate officials throughout their stores, voicing frustration of messaging not only being inflammatory and misleading regarding the petition process, but also perpetuating false narratives of workplace tension; *and*
- WHEREAS,* On both a local and national level, Starbucks workers have reported drastic labor cuts at their stores, resulting in understaffed shifts and unsafe working conditions, which workers believe to be a tactic meant to restrain employee interactions; *and*
- WHEREAS,* On both a local and national level, Starbucks workers have reported strict enforcement of rules and regulations previously enforced loosely or not at all prior to unionization efforts, including, but not limited to, the store’s dress code, late policy, time off requests, and scheduling changes, and Starbucks workers in Boston and Massachusetts have reported being asked to sign agreements acknowledging this change of enforcement; *and*
- WHEREAS,* On February 15, 2022, Greater Boston Starbucks baristas – with the support of their community, fellow workers, and activists – held a rally and march in solidarity with the seven unionizing Starbucks baristas fired shortly after filing their NLRB petition, and have also worked with local unionizing café workers, including those of Pavement and Darwin, to foster a supportive community for baristas to share their unionization experiences; *and*
- WHEREAS,* Starbucks baristas have remained resilient in the face of the company’s anti-union campaign, while stressing that despite immense showings of community solidarity, they remain deeply disappointed in the corporation’s continued attempts to interfere with their right to organize; *NOW THEREFORE BE IT*
- RESOLVED:* That the Boston City Council, in meeting assembled, expresses its support for the Starbucks workers unionizing in our community and calls upon Starbucks to immediately renounce its anti-union tactics, agree to fair election principles, negotiate in good faith, and work with its unionized workers to make Starbucks a truly progressive company; *AND BE IT FURTHER*
- RESOLVED:* That the Clerk of the City of Boston be, and hereby is, respectfully requested to transmit suitably attested copies of this Resolution to the Starbucks Corporate Chief Executive Officer and Director of Government Affairs, and to representatives of Starbucks Workers United.

- WHEREAS*, Riders in Massachusetts take more than 3.5 million trips per week on the Massachusetts Bay Transportation Authority (MBTA) system in order to commute to work, school or daycare, run errands, access healthcare, and much more; *and*
- WHEREAS*, MBTA bus fares have increased by more than 200 percent since 1991, more than double the rate of inflation, while high transit fares limit mobility and worsen the impacts of poverty; *and*
- WHEREAS*, The MBTA currently offers reduced fares for seniors, people with disabilities, some middle and high school students, and people with low incomes between the ages of 18 and 25, and, for years, advocates have called on the MBTA to pilot a reduced fare for low-income riders of all ages; *and*
- WHEREAS*, According to a report by the Public Transit Public Good Coalition, a reduced-fare program would benefit more than 90,000 riders and afford savings of about \$500 annually per rider, totaling nearly \$50 million in savings; *and*
- WHEREAS*, A June 2019 MIT study reported that a reduced fare increases low-income ridership by 30 percent and increases access to healthcare and social services; *and*
- WHEREAS*, In January 2022, a MassINC statewide poll found that 79 percent of respondents supported a low-income fare program and 71 percent supported fare-free bus service in low-income neighborhoods; *and*
- WHEREAS*, In 2018, the MBTA contracted Cubic Transportation Systems and John Laing Group for an automated fare collection overhaul, but the privatized collection system has since been delayed in implementation and risen in cost to \$935 million, with less than half going to construction and operation costs, and low-income riders are set to bear the burden; *and*
- WHEREAS*, On March 22, 2022, the MBTA announced the introduction of a new \$3 fee to obtain a CharlieCard, yet no fee would apply to contactless-card or mobile-wallet transactions, likely making the T even less accessible for the most financially vulnerable riders, especially the unbanked; *and*
- WHEREAS*, On March 24, 2022, the MBTA Board approved changes to certain fares effective July 1, 2022, including a price reduction on the 1-day LinkPass and the addition of a 7-day LinkPass for reduced fare riders, previously only available as one-way tickets and monthly LinkPasses; *and*

- WHEREAS*, The MBTA has the means to fund a year-long low-income fare pilot using one-time funds from federal pandemic relief aid, totalling less than 2 percent of the MBTA's annual budget; *and*
- WHEREAS*, *An Act relative to low income transit fares* (H.4481), originally filed as H.3526 in the Massachusetts Legislature by Representative Adrian C. Madaro, received a favorable report in a new draft by the Joint Committee on Transportation and is now before the House Committee on Ways and Means; *and*
- WHEREAS*, The legislation would direct the MBTA to start a permanent discounted-fare program for low-income people and open a path for Regional Transit Authorities to institute reduced-fare programs or fare-free systems, extending the benefits of transit affordability to all corners of our Commonwealth; *and*
- WHEREAS*, Implementing a new CharlieCard fee before a plan for a low-income fare is in place, or before increased revenue for the MBTA is secured, would hinder the advancement of transit equity, and the adoption of a low-income transit fare is essential toward ensuring long-term transit affordability for those who rely on our public transportation system the most; *NOW THEREFORE BE IT*
- RESOLVED*: That the Boston City Council, in meeting assembled, go on record supporting *An Act relative to low income transit fares* (H.4481) in the 192nd Massachusetts General Court and urges the House Committee on Ways and Means to issue a favorable report in order for the Legislature to take action; *AND BE IT FURTHER*
- RESOLVED*: That the Boston City Council calls on the Massachusetts Bay Transportation Authority to advance and implement a low-income fare program before setting new fees in place; *AND BE IT FURTHER*
- RESOLVED*: That the Clerk of the City of Boston be, and hereby is, respectfully requested to transmit a suitably attested copy of this Resolution to the House Committee on Ways and Means, the Senate President, the Speaker of the House, members of the Boston Delegation to the General Court, the Secretary of the Massachusetts Department of Transportation, and the General Manager of the MBTA.
