Information Received at Hearing

The Committee held a hearing on Thursday, December 4, 2025 to discuss Dockets #1400, #1409, and #1548-1549. The Committee heard testimony from representatives of the Boston Police Department including Frank Deluca, SSYI Program Coordinator, Lieutenant Detective Daniel Duff, Commander of the Homicide Unit; Christopher Markunas, MPA Director of Operations Division; and Maria Cheevers, Director of the Office of Research and Development.

Director Markunas discussed Dockets #1548-1549 stating that these grants will fund costs associated with the Enhanced 911 telecommunications and services. He stated that Docket #1548 is the FY26 Public Safety Answering Point Support and Incentive Grant in the amount of \$4,125,000 which will enable the Boston Police Department to fund their CAD system maintenance which he described as the technical backbone of the City's 911 response system for the Boston Fire Department, Boston Emergency Medical Services, and Boston Police Department. It will also fund costs associated with staffing the 911 Operation Center. Director Markunas stated that this is an annual grant which the City receives based on call volume and population. Docket #1549 is the FY26 State 11 Training Grant in the amount of \$528,156.32. This grant supports costs associated with ensuring that all 911 dispatchers are certified and up to date on training requirements and any other trainings deemed necessary.

Lieutenant Detective Daniel Duff discussed Docket #1409 stating that it is a grant that will fund data collection by the Bureau of Investigative Services and the Drug Control Unit in the amount of \$10,000.01. He stated that this is an annual grant that the City has been receiving since 2003. He explained that each year the Boston Police Department work with the Massachusetts Department of Public Health to review data collection related to homicides that occur in Boston. The type of data collected and reported includes circumstances, suspects, relationships between the victim and suspects, and firearm and ballistics information. Lieutenant Detective Duff stated that Boston Police Department staff reviewed the approximate volume of violent deaths anticipated each year and develop a planning process utilizing the

Department of Public Health data. He stated that they coordinate with the Department of Public Health in reporting all data collected by the police department, Chief Medical Examiner, and the media.

Mr. Deluca discussed Docket #1400 stating that this grant will be used to support the Safe and Successful Youth Initiative (SSYI) in the amount of \$3,966,900. The Boston Police Department provides administrative oversight to the SSYI program as it works with community coalitions to implement a combined public health and public safety approach toward eliminating youth violence in Boston. SSYI focuses on young adults between the ages of 17-24 who are identified as proven risks to be perpetrators or victims of gun violence. SSYI receives referrals from law enforcement partners like the Massachusetts Department of Youth Services, the Department of Correction, and the Youth Violence Strike Force. The Department contracts with the Boston Public Health Commission to be the program's lead agency - coordinating the delivery of intervention services to individuals including behavior health counseling, and employment or education services.

Committee Chair Recommended Action

As Chair of the Committee on Public Safety and Criminal Justice, I recommend moving the listed dockets from the Committee to the full Council for discussion and formal action. At this time, my recommendation to the full Council will be that these matters **OUGHT TO PASS**.
