Re: 17F Response

Dear City Councilors,

Here please find the Boston Public Schools' response to Docket 0507, a 17F request filed by At-Large Boston City Councilor Erin Murphy on Wednesday, March 1, 2023.

The BPS case management system, LaborSoft, records the number of reports of possible EQT-3 violations each year. This data is not characterized by the nature of the allegation, so BPS is unable to provide the breakdown requested.

Sincerely,

A handwritten signature in cursive script that reads "Rebecca Shuster".

Assistant Superintendent of Equity
