2026 Sox for Socks

BHCHP'S 21ST ANNUAL CAMPAIGN WITH THE BOSTON RED SOX

The Boston City Council celebrates the 21st annual Sox for Socks campaign at Fenway Park from July 20–22. For the last two decades, in partnership with the Boston Red Sox and the Red Sox Foundation, Sox for Socks has advanced the mission of the Boston Health Care for the Homeless Program (BHCHP) by collecting thousands of pairs of socks—an essential yet often overlooked necessity—while raising critical funds to support BHCHP's healthcare services for individuals and families experiencing homelessness across Boston and the Commonwealth. Through this longstanding partnership, Sox for Socks not only provides dignity and promotes better foot health for patients, but has also raised awareness of the challenges facing those experiencing homelessness and the importance of BHCHP's mission to provide compassionate and comprehensive healthcare. The Boston City Council extends its sincere gratitude to the Boston Health Care for the Homeless Program, the Boston Red Sox, and the Red Sox Foundation for organizing this annual event and for their enduring commitment to serving our most vulnerable neighbors while inspiring the community to do so as well.
