OFFICIAL RESOLUTION

OFFERED BY

Councilor Sharon Durkan

Be It Resolved, that the
Boston City Council Recognizes:

Fenway Health

AS A HEALTH CLINIC PROVIDING VITAL SERVICES TO THE
LGBTQIA+ COMMUNITY AND THE CITY OF BOSTON:

Founded in 1971 as part of the free clinic movement, Fenway Health has provided essential services to historically underserved communities for more than 50 years within the City of Boston. Fenway Health has played a key role in our health care system, serving the Fenway neighborhood, the LGBTQIA+ community, and individuals living with HIV/AIDS. The organization has remained committed to its mission to ensure that health care is a right, not a privilege by advocating for and delivering equitable and accessible health care, supportive services, and transformative research and education. The Boston City Council extends its deep gratitude to Fenway Health for its leadership and longstanding commitment to advancing health equity and fighting for health care for all.
