## REPORT OF COMMITTEE CHAIR

September 21, 2022

Dear Councilors,

*Docket #0934, message and order authorizing an appropriation order in the amount of Six Hundred Eighty-Six Thousand Eight Hundred Dollars (\$686,800.00) for the Cemetery Division of the Parks and Recreation Department and the Trust Office of the Treasury Department to be funded from the Cemetery Trust Fund established under Chapter 13 of the Acts of 1961:* was sponsored by the Administration and referred to the Committee on August 10, 2022. The committee held a hearing on September 9, 2022.

### Summary of Legislation:

This Docket appropriates \$686,800 out of the fund established under Chapter 13 of the Acts of 1961, known as the Cemetery Trust Fund for the Cemetery Division of the Parks and Recreation Department. The appropriation will go towards renovation projects at two of the three cemeteries in the city with remaining burial space. Of the sum, \$28,800 will go towards expanding and improving the infrastructure for the veteran and indigent sections of the Fairview Cemetery; \$258,000 will go towards rehabilitating the Mount Hope Cemetery facilities; and finally, \$400,000 will go towards rehabilitating the entrance and grounds of the Mount Hope Cemetery.

### Information Gathered at the Hearing:

The following individuals participated at the hearing on behalf of the administration: Thomas Sullivan, Director of Cemeteries, Cemetery Division; and Margaret Dyson, Trust Manager, Treasury Department. During this hearing, the Administration respectfully requested the City Council release funds from the Cemetery Trust to support the maintenance, repair, improvement, and embellishment of the three cemeteries in Boston with open space for burials. Cemetery Trusts were established in 1961 and mandated that any cities and towns adopting the legislation maintain an independent account and Trust separate from the department. Traditionally, this type of appropriation has been done annually; however, the last appropriation to the Cemetery Division from the Trust was in October 2019 for \$175,000.

In breaking down the dollar amounts designated for the projects at both cemeteries, the panel elaborated upon the specific work needed at each site. For example, to expand the veteran and indigent burial area at the Fairview Cemetery, the \$28,800 will go towards laying new concrete foundations. To rehabilitate the Mount Hope Cemetery, \$258,000 will go towards the design, construction, and capital costs necessary to repair the disarray the facility is in due to failure to

maintain the exterior, which has led to storm damage and rodent/raccoon infestation. Finally, to rehabilitate the face of the Mount Hope Cemetery, the \$400,000 will go towards repairing the entrance fencing and surrounding landscape. The Administration explained that completing this work is necessary to serve and support the community-at-large, the bereaved, and the staff on site. The timing for interior repair at Mount Hope Cemetery is sensitive as the fall construction season approaches and as it concerns the health and safety of cemetery employees.

The maintenance and repair projects discussed during the hearing will be contracted out with the Parks Department advertising for landscape work and the Public Facilities Department advertising for facility construction work. The Administration confirmed that the departments responsible for choosing the contractors to do this work are aware of and in line with the City's procurement goals to contract with women and minority-owned businesses. The Chair requested more information on what the RFP process will look like when hiring contractors to complete the projects for which funds are being appropriated. The administration's response is as follows: "The Parks and Recreation Department will conduct the standard outreach plan for construction related bids. The Contract Unit will first consult the certified business directory to search for MWBE companies to contact. They then fill out the Equitable Procurement Compliance & Assistance form and send the scope of work to the Office of Economic Development and Inclusion for assistance with finding qualified bidders in related industries."

**Recommended Action:**

The Chair of the Committee on Environmental Justice, Resiliency and Parks, to which the following was referred:

### ORDER FOR A HEARING TO ENSURE THAT ALL INCIDENTS OF BULLYING AND VIOLENCE ARE PROPERLY REPORTED TO ENSURE A SAFE ENVIRONMENT FOR ALL STUDENTS AND STAFF IN THE BOSTON PUBLIC SCHOOLS

**WHEREAS,** A recent audit of Boston Public Schools by the state Department of Elementary and Secondary Education reported that the Boston Public School system does not support the physical, social, and emotional well-being of all students and does not ensure a safe environment for all students; *and*

**WHEREAS,** That audit also found that the district's system for managing, responding to, and resolving complaints is not responsive to parent and guardian concerns. This has led to some parents not believing that the district schools prioritize the physical, social, and emotional well-being and safety of all students: *and*

**WHEREAS,** Acts of violence in Boston Public Schools, including physical assaults, bullying, and sexual assaults, are much to blame for this report; *and*

**WHEREAS,** District data shows more than an 80% increase in bullying complaints to 440 this year, compared to the 243 complaints in 2018-2019, the last full year of in-person learning. The rise in bullying prompted a student-led protest at the Boston Arts Academy in Dorchester and parental criticism of behavior in a third-grade class at the Manning School in Jamaica Plain; *and*

**WHEREAS,** The recent report on the Mission Hill School makes painfully clear that unabated sexual and mental abuse of students took place there for nearly a decade to countless students as young as 4 and 5; *and*

**WHEREAS,** With all the recent, tragic incidents in schools nationally, it's clear that sensible, timely communication regarding dangerous school situations is more important than ever. Now is the time for law enforcement and Boston Public Schools to cooperate, rather than alienate; *and*

**WHEREAS,** Due to a 2020 school policy to protect students' privacy, schools now provide less information to law enforcement than ever before, which in some cases, adversely impacts the safety of students. The policy requires law enforcement officials to get approval from Boston Public School lawyers or obtain a subpoena or court

order for information about students except in extreme emergencies, such as an active shooter situation; *and*

**WHEREAS,** There is frustration with the lack of action and accountability by Boston Public Schools. *The Boston Globe* reported on three assaults this spring where one student beat another with a Chromebook laptop, leaving one child bloodied and another with a concussion. In all three cases, the parents, rather than the schools, contacted the police; *and*

**WHEREAS,** Crimes happening outside school grounds are also a growing worry. The May 11th stabbing at Nubian Square Station is one recent incident. Both victim and attacker were students of Boston Public Schools. In another incident, earlier this spring, a teacher and student were shot just outside of TechBoston Academy in Dorchester; *and*

**WHEREAS,** Concerned parents and guardians are removing their children from Boston Public Schools. Enrollment has steadily dropped for over ten years and has only accelerated in the last two years; *and*

**WHEREAS,** Boston Public Schools is responsible for over 46,000 students and 10,000 school staff. The mental and physical safety of these students and school employees is of most importance; *and*

**WHEREAS,** The recent acts of violence - assaults, bullying, and sexual harassment - must be investigated and appropriately addressed with the help of the Boston Police Department to ensure the public safety of all students and staff in Boston Public Schools; ***NOW, THEREFORE BE IT***

**ORDERED:** That the appropriate committee of the Boston City Council holds a hearing to examine how the Boston Public School Administration handles all types of assaults and misconduct with law enforcement and to discuss much-needed transparency and solutions for such incidents in the upcoming school year. Representatives from the City of Boston, Boston Public Schools, Boston Police Department, MBTA Transit Police Department, the Office of Safety Services in Boston Public Schools, the Office of Equity in Boston Public Schools, youth leaders, members of the public, and any other interested parties shall be invited and are encouraged to attend.

## CITY OF BOSTON IN CITY COUNCIL

### ORDER FOR THE ADOPTION OF CITY COUNCIL REDISTRICTING PRINCIPLES

- WHEREAS*, At the 1981 municipal election, residents of the City of Boston voted 41,973 to 34,623 in favor of a binding referendum changing the structure of the Boston City Council from being elected entirely at-large to adding district representation; *and*
- WHEREAS*, The Massachusetts Legislature enacted chapter 605 of the Acts of 1982, providing for the election of a City Council consisting of nine members elected from equally populous districts and four members elected at-large, specifying the process by which the final City Council to be elected entirely at-large was to draw the inaugural district lines; *and*
- WHEREAS*, Boston's first electoral district map passed by the City Council, 7 to 2, and approved by the Mayor (chapter 6 of the Ordinances of 1982) was challenged by a lawsuit from a coalition of the Latino Political Action Committee, Caucus Latino de Poliza Social de Massachusetts, Inc., the Black Political Task Force, and the Boston Peoples Organization; *and*
- WHEREAS*, Drawn on the basis of the 1975 state census, the districts were invalidated in *Latino Political Action v. City of Boston*, 568 F. Supp. 1012 (D. Mass. 1983) when 1980 federal census data revealed a constitutionally impermissible population variance of 23.6 percent violating the "one person, one vote" standard, a ruling upheld on appeal, 716 F.2d 68 (1st Cir. 1983); *and*
- WHEREAS*, U.S. Supreme Court Justice William J. Brennan, Jr. in August 1983 ruled that the delay caused by having to redraw districts for the November 1983 municipal election did not warrant approval of the Massachusetts Attorney General's application for stay, *Bellotti v. Latino Political Action*, 463 U.S. 1319 (1983), prompting passage of a home rule petition for Boston's one-time emergency election procedures in chapter 357 of the Acts of 1983; *and*
- WHEREAS*, A second map that unanimously passed the Council with Mayoral approval (chapter 25 of the Ordinances of 1983) was again challenged by the coalition, with the addition of the Asian Political Caucus, alleging unlawful dilution of minority voting power and infringing on the rights of minority candidates; however, the Court ruled that the Council was absolutely immune from suit in exercising their legislative duties, *Latino Political Action v. City of Boston*, 581 F. Supp. 478 (D. Mass. 1984) and the map was later upheld 609 F. Supp. 739 (D. Mass. 1985) and affirmed, 784 F.2d 409 (1st Cir. 1986); *and*
- WHEREAS*, The City Council again redrew electoral districts in 1987, 1993, and 2002 amid the backdrop of further redistricting litigation for equal representation of Boston's Black voters at the state and federal levels, *Black Political Task Force v. Connolly*, 679 F. Supp. 109 (D. Mass. 1988), *Black Political Task Force v. Connolly*, F. Supp. Civ., Nos. 91-12750-H, 91-12751-H (D. Mass. 1992), *Black Political Task Force v. Galvin*, 300 F. Supp. 2d 291 (D. Mass. 2004); *and*
- WHEREAS*, Historic context led the Massachusetts Legislature's Special Joint Committee on Redistricting and the Boston City Council's Committee on Census and Redistricting to facilitate 2011-2012 redistricting processes by intentionally prioritizing meaningful engagement of residents from marginalized communities and neighborhoods historically split across district lines, with ample time to scrutinize proposals at dozens of public hearings and committee meetings spanning more than one year, and, despite these efforts, the Mayor twice disapproved the Council's maps due to inequitable racial imbalance; *NOW, THEREFORE BE IT*

*ORDERED:* That the Boston City Council adopt the following principles to guide and inform procedures led by its Committee on Redistricting for crafting legally defensible City Council electoral districts for the City of Boston, pursuant to chapter 605 of the Acts of 1982, as amended by chapter 343 of the Acts of 1986:

2022 Redistricting Principles (Draft – August 31, 2022)

- I. *Conduct.* Councilors will adhere to Rule 38 of the City Council Rules relative to conduct during debate and deliberation, and refer to present or proposed electoral districts by the assigned district number or neighborhood name(s), refraining from using the name of any incumbent City Councilor;
- II. *Public Participation.* To enhance and expand civic participation while strengthening public confidence in elections and governance, transparency in redistricting is essential. Deliberation among Councilors as decision-makers, or with legal and mapping consultants, must remain restricted to public Committee hearings, working sessions, and meetings duly noticed pursuant to the Open Meeting Law, with opportunities for the public to provide testimony, where appropriate. Ample outreach to communities and access to redistricting tools to allow meaningful participation is also essential.
- III. *Legal Standards.* To craft a legally defensible redistricting plan, Councilors must consider pertinent constitutional and statutory provisions, such as the Voting Rights Act and City Charter provisions, as well as redistricting case law, including those involving the City of Boston;
- IV. *Use of Existing Precincts.* Notwithstanding any imperfections of geographic boundaries due to decadeslong deferral of citywide reprecincting, proposed electoral districts must be composed of existing precincts, as most recently adopted by the Board of Election Commissioners;
- V. *Guidelines.* Proposed maps should be drawn to ensure population equality and avoidance of excessive deviation, have compact and contiguous boundaries, avoid over-concentration of protected groups, preserve communities of interest, provide voters of protected groups opportunities to achieve proportionality by electing their candidates of choice, and prohibit favoring of incumbent residency.
- VI. *Presentation of Proposals.* Submissions of nine (9) proposed districts should consist of the following:
  - A. Written descriptions in the form of an ordinance listing wards and precincts;
  - B. A corresponding map illustrating proposed districts, produced using Esri Redistricting software in coordination with City Council Central Staff and City of Boston GIS staff;
  - C. Corresponding tables presenting the following demographic statistics for each district:
    1. Total population deviation by district *and* the plan's overall deviation range;
    2. Total population disaggregated by race, *and* each racial group's population as a percentage of each district's total population;
    3. Aggregate racial minority (total non-White) population, *and* minority population as a percentage of each district's total population;
    4. Total Voting Age Population (VAP), or Citizen Voting Age Population (CVAP), disaggregated by race, *and* each racial group's VAP or CVAP as a percentage of each district's total VAP or CVAP, for purposes of evaluating potential voter strength;
  - D. If possible, present total population change from 2010 to 2020 Census, *and* future population projections based on generally accepted statistical methods; and
  - E. If possible, present total housing unit change from 2010 to 2020 Census, *and* future housing unit estimates based on approved and permitted residential unit development pipeline; and
- VII. *Deadline for Action.* Electoral districts must be drawn with approval of the Mayor by no later than November 7, 2022. Councilors may file proposed ordinances for the City Council meetings of September 14, September 21, September 28, or October 5, aiming for passage by October 19, and, in the event of disapproval, leave October 26 and/or November 2 for revision.

### ORDER FOR A HEARING ON THE NEEDS AND SERVICES FOR MIGRANT POPULATIONS

**WHEREAS,** On September 14, approximately 50 migrants arrived on Martha's Vineyard after being fraudulently induced to board planes with false promises of work, educational opportunities, and help with immigration paperwork. They initially believed they were heading to Boston, but told mid-flight that their destination would be Martha's Vineyard. The Florida governor has since taken credit in the hopes of inciting chaos and publicity for himself; *and*

**WHEREAS,** However, Vineyard residents themselves quickly came together to feed and shelter the Venezuelan migrants, and attorneys helped them navigate the immigration system. Martha's Vineyard Community Services purchased cell phones for all the migrants and other organizations helped address their immediate needs; *and*

**WHEREAS,** Boston has seen a substantial rise in the number of migrant families seeking shelter and asylum over the past several months. Many of these families are showing up in emergency rooms around the Boston area in need of medical care and shelter; *and*

**WHEREAS,** In statements, Boston Medical Center and Mass General Brigham acknowledged its hospitals are reporting an increase of migrants in need of shelter, a need that the hospitals are not equipped to meet; *and*

**WHEREAS,** The Immigrant Family Services Institute, a Mattapan nonprofit organization that meets the needs of migrants who have made it to Boston, said it has welcomed more than 1,800 people between May and July, and August numbers are estimated to be more than 600 people, most fleeing violence in Haiti, a six-fold increase from a typical month; *and*

**WHEREAS,** The Legislature recently allocated \$8 million to the Immigrant Family Services Institute, yet because of the ongoing migrant crisis that money was quickly used and more is needed; *and*

**WHEREAS,** The Boston City Council approved \$1.1 Million of the American Rescue Plan Act (“ARPA”) for temporary housing for migrants, but these funds have yet to be allocated; *and*

**WHEREAS,** Recently the gradual arrival of around 7,000 migrants caused Washington, D.C.’s mayor to declare a FEMA public emergency, and ask the National Guard for help. The New York governor and Legislature are also looking at similar options for emergency support for new arrivals; *and*

**WHEREAS,** Boston should also allocate additional funding to city programs, services and nonprofits providing legal assistance, work to remove barriers in accessing city services for migrants, particularly Black migrants, and survey whether city-owned empty buildings can provide temporary housing; *and*

**WHEREAS,** The Mayor’s Office of Immigrant Advancement must be prepared to allocate resources, direct aid, and offer additional resources to migrant relief organizations; ***NOW, THEREFORE BE IT***

**ORDERED:** That the appropriate committee of the Boston City Council hold a hearing on the needs and services for migrant populations and that appropriate individuals and organizations attend including the Mayor’s Office for Immigrant Advancement, Mayor's Office of Housing, Massachusetts Immigrant and Refugee Advocacy Coalition, Massachusetts Office for Immigrants and Refugees, and others be invited to testify.
