***Information Received at Hearing***

The Committee held a public hearing on Dockets #0530-0533 and #0631-0632 on Monday, April 8, 2024. The Committee was joined by Jim Williamson, Budget Director for the City of Boston, and Renee Bushey, Director of Labor Relations.

Mr. Williamson stated that Dockets #0530, #0532, and #0631 reduce the Reserve for Collective Bargaining from the FY24 budget and transfers these funds to the various departments stipulated in the contracts in the aggregate amount of about \$12.7 million. At the start of the fiscal year, the Reserve for Collective Bargaining had a total of \$76.2 million. Since July, the City Council has approved ten collective bargaining agreements totaling \$46.8 million. The balance of the Reserve for Collective Bargaining currently stands at \$16.7 million.

Ms. Bushey stated that the two Boston Police Department (BPD) contracts, Boston Police Detectives Benevolent Society, and Boston Police Detectives Benevolent Society - Superior Officers Unit, largely mirror the contract that was approved for the Boston Police Patrolmen's Association (BPPA). Provisions in this contract include reforms to the paid detail system which allows BPD to centralize and prioritize Type 1 details and provides a higher hourly rate for this type of details. It also limits the time when they can be paid for covering two details at the same time. Both of these contracts include limits on court time. Currently, Detectives and Detective Superiors collect a minimum of four hours in overtime pay when they are scheduled to go to court with a 72 hour cancellation policy. Under this new contract, the cancellation policy will be 24 hours, which could decrease paid court time by about 30 percent. These contracts also limit union release time for officers.

Ms. Bushey stated that the Professional Employees International Union, Local 6 represents a small group of Inspectional Services Department employees. This contract is similar to other larger citywide union contracts that have recently been approved including base wage increases and flat payment increases for lower-paid workers. It also includes sick and bereavement leave for employees on probation, and increasing on-call pay.

Councilors discussed various topics including health and wellness support for Boston Police officers, increasing salaries for BPD Crime Lab employees, mental health counseling support for the families of BPD officers, the hiring and retention of new police officers, changes to the paid detail system, higher education benefits for officers and their families, and active duty pay for officers who are in the National Guard and Reserves.

***Committee Chair Recommended Action***

As Chair of the Committee on Ways and Means, I recommend moving the listed dockets from the Committee to the full Council for discussion and formal action. At that time, my recommendation to the full Council will be that the matters **OUGHT TO PASS**.
