Dear City Councilors:

Please find below the responses to a 17F filed on May 2, 2022 relative to the Mission Hill K-8 School.

**OFFERED BY COUNCILOR MICHAEL F. FLAHERTY**

## **CITY OF BOSTON IN CITY COUNCIL**

IN THE YEAR TWO THOUSAND AND TWENTY TWO

### **Order of Councilor At-Large Michael Flaherty**

**ORDERED:** That under the provisions of section 17F of Chapter 452 of the Acts of 1948, as amended, and any other applicable provision of law, the Mayor, be, and hereby, is requested to obtain and deliver to the City Council, within one week of the receipt hereof, the following information relative to the Boston Public Schools Department:

- 1) Provide a breakdown of total sexual assault and harrasment incidents at Mission Hill K-8 School reported to Boston Public School employees with redacted student and personnel informaion as needed.

**Response:** The Boston Public Schools does not make determinations as to whether a report involves sexual assault or sexual harassment as those terms are defined by criminal and civil statutes. Accordingly, the Boston Public Schools does not have responsive records to this request. Notwithstanding, the Boston Public Schools does investigate and

track the number of allegations of sexual misconduct as defined by Equity (EQT) Circular 3. Below is a table of reports of possible EQT-3 violations at the Mission Hill School reported to the Office of Equity either directly or through school personnel from January 1, 2017 to September 1, 2021.<sup>1</sup> Identifying student and personnel information has been removed in compliance with FERPA, the IDEA, and employee confidentiality laws. The Hinckley Allen Report references some of the same alleged incidents, and also includes allegations of sexual misconduct that were not reported to the Office of Equity.

<b>Incident Date</b>	<b>Incident Type</b>	<b>General Allegation</b>
11/26/2018	EQT-3: SEXUAL MISCONDUCT TOWARD STUDENTS	Inappropriate touching
1/14/2019	EQT-3: SEXUAL MISCONDUCT TOWARD STUDENTS	Attempted inappropriate touching
1/16/2019	EQT-3: SEXUAL MISCONDUCT TOWARD STUDENTS	Inappropriate touching
2/1/2019	EQT-3: SEXUAL MISCONDUCT TOWARD STUDENTS	Inappropriate touching
11/22/2019	EQT-3: SEXUAL MISCONDUCT TOWARD STUDENTS	Inappropriate sexual comments/images
1/13/2020	EQT-3: SEXUAL MISCONDUCT TOWARD STUDENTS	Inappropriate sexual comment
2/3/2020	EQT-3: SEXUAL MISCONDUCT TOWARD STUDENTS	Inappropriate sexual comment
2/6/2020	EQT-3: SEXUAL MISCONDUCT TOWARD STUDENTS	Inappropriate touching
2/12/2020	EQT-3: SEXUAL MISCONDUCT TOWARD STUDENTS	Inappropriate touching

- 2) Provide a breakdown of incidents that were not handled in compliance with MGL C.119, 51A.

<sup>1</sup> Data for this school year is currently being entered into the Office of Equity case management system, and is not yet complete.

Response: The Boston Public Schools does not make legal determinations as to whether an employee complied with General Laws, Chapter 119, Sec. 51A. However, the Boston Public Schools does investigate any allegations that an employee may have engaged in conduct that is in violation of Superintendent Circular SUP-20 “Child Abuse and Neglect.” Notwithstanding, the Boston Public Schools does not track personnel information in the manner in which it has been requested, and therefore does not have data of the number of employees who have been found to have engaged in conduct in violation of Superintendent Circular SUP-20.

- 3) Provide an explanation of why Boston Public Schools retained legal counsel to perform an investigation instead of consulting with out Boston Police Department Crimes Against Children Unit and/or the Suffolk County District Attorney’s Domestic and Sexual Assault Unit in a timely manner.

Response: The Boston Public Schools reports allegations of sexual misconduct to the Boston Police and/or the Department of Children and Families as appropriate. The Boston Public Schools did not retain legal counsel to investigate allegations of sexual assault or any other allegations of criminal misconduct. Rather, the Boston Public Schools retained legal counsel to investigate allegations that on multiple occasions, Mission Hill staff members did not follow Boston Public Schools policies with respect to complaints of bullying as well as special education and English language services regulations. The Hinckley Allen investigation was a follow-up comprehensive investigation of allegations that were substantiated in the spring of 2021 by Attorney Joseph Coffey of unaddressed bullying and special education rules noncompliance.

The initial investigation in the spring of 2021 was conducted by Attorney Joseph Coffey, who was retained to investigate a complaint that staff at Mission Hill failed to follow Boston Public School policies with respect to complaints of bullying and failed to properly implement special education services. Attorney Coffey substantiated those allegations and stated in his report that he had substantiated similar allegations at Mission Hill in 2015. Accordingly, the Superintendent retained Hinckley Allen to conduct a comprehensive ten-year look back to determine if there were other issues of bullying and/or special education noncompliance. At no time did Hinckley Allen investigators conduct investigations into allegations of sexual assault or any other allegations of criminal misconduct. After allegations of criminal misconduct were made to the Hinckley Allen investigators, those allegations were then reported to the Office of the Legal Advisor, the Office of Equity, and the appropriate law enforcement agencies.

- 4) Provide a total breakdown of legal fees spent on all activities related to these incidents, including but not limited to all lawsuit settlement legal fees and settlement amount(s), investigation costs, and personnel costs.

Response:

- (a) The Hinckley Allen investigation is currently ongoing. To date, the Hinckley Allen invoices for work on the Mission Hill investigation total \$253,286.84.
- (b) The 2021 Mission Hill Report by Attorney Joseph Coffey was invoiced for \$19,975.00.
- (c) *Doe1 et al v. Boston Public Schools et al*, Docket No. 17-cv-11653 was resolved through a settlement for \$650,000.00.

Thank you for your time and attention.

In Partnership,

Dr. Brenda Cassellius  
Superintendent

TO THE CITY COUNCIL

Dear Councilors:

I transmit herewith for your approval an Order authorizing a limit for the Boston Center for Youth & Families (BCYF) revolving fund for Fiscal Year 2023 to pay salaries and benefits of employees and to purchase supplies and equipment necessary to operate the City Hall Child Care.

This revolving fund shall be credited with any and all receipts from tuition paid by parents or guardians of children enrolled at the center. Receipts and resulting expenditures from this fund shall not exceed \$900,000.

I urge your Honorable Body to act favorably on the proposed order without delay.

Sincerely,

Michelle Wu  
Mayor of Boston

### ORDER FOR A HEARING TO DISCUSS THE CREATION OF A CIVILIAN CONSTRUCTION DETAILS PROGRAM

**WHEREAS,** Structural racism in Boston creates conditions of economic precarity and poverty and erodes Black Bostonians' human and civil rights, such as experiencing high rates of police surveillance, stops, and searches - for example, Black people make up 25.2% of the Boston population but were the subjects of 62.3% of Boston Police Department Field Interrogation and Observation reports in 2020; *and*

**WHEREAS,** Black residents are disproportionately likely to be incarcerated due to structural racism and, according to a report by the Brennan Center for Justice, formerly incarcerated people earn 52% less than people who have not been incarcerated, and formerly incarcerated people earn an average of \$484,000 less over the course of their working life than people who have not been incarcerated; *and*

**WHEREAS,** The current rate of unemployment among Black people in Boston is 6.8%, and over the past four decades, Black people in the United States have experienced nearly double the rate of unemployment compared to white people - moreover, Black people have been disproportionately impacted by job loss during the COVID19 crisis, with unemployment rates that peaked at 16.9% versus 12.8% among white people; *and*

**WHEREAS,** Massachusetts became the last state in the country to legalize civilian construction details in 2008; *and*

**WHEREAS,** Boston Police officers are the only city employees who work construction details, and the Police Department does not have the capacity to fulfill all requests for construction details, as officers declined to work 42.71% of details in 2020, up from 32% of details unworked in 2017 representing 135,959 more hours that residents could have worked; *and*

**WHEREAS,** Private companies requested an average of 117,066 details for construction sites in Boston annually between 2017 and 2020, representing \$71,557,762 each year in potential wages for Boston residents or 740 full-time positions at \$70,000 plus benefits; *and*

**WHEREAS,** Boston Police officers are among the highest-paid city employees, and the average salary of a Boston Police officer in 2020 was \$132,487.61, and without working construction details, the average salary would have been \$115,558.94, of which \$30,975.28 was overtime pay; *and*

**WHEREAS,** The Boston Police Department reported that in FY20, 32 sworn officers and five civilians worked to administer the details system with a cumulative salary cost of \$3,787,763, representing the potential to hire 41 full-time employees at the median income rate to administer a new civilian construction detail office in addition to hundreds of full-time positions to work the details; *and*

**WHEREAS,** A civilian construction detail office could operate on an annual budget of tens of millions of dollars with a mission of gender and racial justice and equity to employ hundreds of residents most harmed by state violence, over-policing, and mass incarceration; *and*

**WHEREAS,** Creating a civilian construction detail office would create hundreds of union jobs at prevailing wages with benefits for Boston residents, particularly residents who have been excluded from the economy and struggled to provide for themselves and their families because of their CORI; *and*

**WHEREAS,** A civilian construction detail office could address profound racial disparities and discrimination against formerly incarcerated people in the labor market by increasing access to stable, salaried employment with benefits which is essential to thriving communities and growing the city's economy; *and*

**WHEREAS,** Residents who represent diverse cultures and speak multiple languages, and have pride in their communities could staff a civilian construction detail office with a mission of racial and gender justice to promote safety, well-being, and prosperity in neighborhoods across the city; *and*

**WHEREAS,** The Regional & Community Outreach department of the Federal Reserve Bank of Boston acknowledges the “inextricable link between the economy and racial equity—which we define as just and fair inclusion in an economy in which all can participate, prosper, and reach their full potential” and the opportunity to “seize the important opportunity arising from this simultaneous awakening alongside an urgent need for the U.S. to rethink our economy as we work toward rebuilding it in the wake of the pandemic and current recession”; *and*

**WHEREAS,** Residents of Boston have been engaged in a sustained, city-wide conversation about police spending since the murder of Mr. George Floyd and are seeking creative, reparative solutions to address the generational harm caused by systemic racism and economic insecurity and have raised the possibility of civilian construction detail office as one such solution; ***NOW, THEREFORE BE IT***

**ORDERED:** That the appropriate committee of the Boston City Council hold a hearing to discuss the creation of a new department for civilian construction details dedicated to providing stable, union jobs to people in the city that have been most affected by incarceration and policing. Representatives from the Mayor's Offices of Returning Citizens, Workforce Development, Resilience and Racial Equity, Police Accountability and Transparency, Boston Police Department, and community advocates from Families for Justice as Healing, formerly incarcerated people, and other interested parties are invited to testify.

### ORDER FOR A HEARING TO DISCUSS WAYS OF CREATING A PARTNERSHIP BETWEEN COLLEGES AND HIGH SCHOOLS THAT WILL CREATE JOBS AND ACADEMIC SUPPORTS FOR STUDENTS

**WHEREAS,** 7% of Hispanic students and 5% of Black students dropout of high school, and  $\frac{1}{4}$  of Black students and  $\frac{1}{3}$  of Hispanic students do not graduate within four years. Black and Hispanic students may struggle in school for many reasons, including high rates of hunger, living in overcrowded homes, and having unmet health, language and cultural needs; *and*

**WHEREAS,** 31.3% of Hispanics and 24% of Black residents in Boston live in poverty compared to 12% of white people. Such high poverty rates mean they are likely to be food insecure, or to not have access to nutritious food. Poverty often induces Black and Hispanic teenagers to work long hours to assist their families. It means they are more likely to live in crowded homes where they struggle to find adequate space or time to do homework. Additionally, they are less able to access outside resources, such as tutoring or extracurriculars, that are available to their counterparts; *and*

**WHEREAS,** Private and online tutoring is a multibillion dollar industry that excludes a majority of Black and Brown students, who are likely to be poor or working class. After school supports in Black communities are often bare or nonexistent, with many predominantly Black and Hispanic high schools struggling to retain teachers, having their building facilities maintained, and generally lacking resources; *and*

**WHEREAS,** That educators, either because of racial bias or because of genuine concern over the struggles of Black and Brown youth, at times have low expectations in regards to their ability to succeed academically. Additionally, these assumptions from educators can lead to a deterioration in the student-teacher relationship, causing the student to “tune their teachers out,” causing them to not ask for help or to generally disengage from their schoolwork; *and*

**WHEREAS,** That Black students are two times as likely to be suspended than their white peers, causing them to miss school, to be stigmatized, and to have unstructured free time where they may be unsupervised and fall under the sway of negative influences; *and*

**WHEREAS,** School discipline and the criminal justice system factor prominently into Black and Brown students dropping out. Such harsh discipline, meted out disproportionately to Black and Brown students, induce many students of color to seek alternatives to schooling, such as entry level work, due to both feelings of being pushed out of school and by their significant financial needs; *and*

**WHEREAS,** While Black people are about  $\frac{1}{4}$  of the population in Boston, they make up nearly  $\frac{1}{2}$  (47%) of the homeless population. Homelessness, and poverty in general, are crucial indicators that act to prohibit school success and performance; *and*

**WHEREAS,** Studies have shown it is beneficial for students to work part time. 10 to 20 hours per week of work has been shown to help students manage money, gain valuable, transferable skills, acquire confidence, increase independence, and learn to use time wisely; *and*

**WHEREAS,** When students receive after school assistance, they benefit. According to a recent study, “The benefits of afterschool activities for high school youth are well documented: increased academic achievement, prevention of drug use, and increased likelihood of obtaining work and gaining life skills experience.” Such positive impacts increase the chances that students will succeed in school, attain jobs, and be less likely to engage in risky and addictive behaviors; *and*

**WHEREAS,** Poor and working class college students need financial support. Too often, they must work full time while in college. This may lead to decreased academic performance, and an inability to access resources. Hence, any financial support they can ascertain will be beneficial; *and*

**WHEREAS,** It is helpful for students of color to work with, and be tutored by, college students of similar identities. This experience offers many benefits for the students involved. Not only do they receive needed support, but they are exposed to a successful, slightly older peer. This serves the function of raising the self esteem and confidence of the scholar; *and*

**WHEREAS,** When our youth and young adults have a job, they can acquire financial literacy. Students who work outside the home often open bank accounts, where they can learn associated skills, such as writing a check, using an atm card, and more. They can open a savings or cd account. These skills will serve them as adults when they take on additional economic responsibilities; *and*

**WHEREAS,** Acquired skills such as solid work habits, time management, and the navigation of available resources are all important in college. Furthermore, these skills are transferable to them as prospective employees, as their career readiness will transcend their less prepared peers; *and*

**WHEREAS,** Being a resource rich city, we have a responsibility to offer our BPS students a world class education. We can do this in innovative and creative ways and institute measurables that track the effectiveness and impacts of the policies that we implement. We can operate in the realm of concrete and tangible action by catering our programs to those with the greatest need. In short, we can make our actions match our jargon; *and*

**WHEREAS,** A program, through the city of Boston, can be implemented to create partnerships between colleges and high schools in which College Students are contracted by their college to tutor children who receive a stipend to attend; ***NOW, THEREFORE BE IT***

**ORDERED:** That the appropriate committee of the Boston City Council hold a hearing to explore the possibility of instituting a partnership between area high schools and colleges that will create employment for low-income college students and academic support and employment opportunities for high school students.

### ORDER FOR A HEARING TO DISCUSS THE INITIATION OF A STUDY THAT ASSESSES LIFE INSURANCE NEED FOR LOW-INCOME RESIDENTS

**WHEREAS,** Permanent life insurance policies act to alleviate monetary hardship for individuals and families, and to ensure economic stability for said individuals and families across generations. Typically used to lessen the financial burden of a household following the loss of a loved one, *and*

**WHEREAS,** Life insurance can also serve as an economic tool that functions to sustain and empower the surviving family members of the deceased. In addition to helping individuals gain tax free wealth to prepare for retirement, life insurance helps families save money through tax-deferred benefits that can later act as a monetary cushion, *and*

**WHEREAS,** Research shows that Black Americans' primary reason for purchasing life insurance policies is to create intergenerational wealth, demonstrating an opportunity for policy makers to expand diverse wealth gaining mechanisms for people of color; *and*

**WHEREAS,** Life insurance companies have historically discriminated against Black policyholders since the Civil War, citing greater risk due to higher mortality rates for Black people. Based on genetic inferiority pseudoscience, such as the dastardly field of eugenics, life insurance companies have predominantly marketed inferior policies to minorities for the purpose of covering funeral and burial services, rather than as a wealth building tool, *and*

**WHEREAS,** Today, people of color are more likely to overestimate the cost of life insurance, and to be charged higher premiums compared to white people, which deters many potential life insurance buyers and underscores the distrust between people of color and financial institutions; *and*

**WHEREAS,** Institutionalized disinvestment and environmental injustices within communities of color have led to significant disparities in life expectancy compared to the life expectancy prevalent in majority white neighborhoods. Pooling of industry, the demolition of neighborhoods and greenspace for the construction of interstate highways, historically described by the misleading phrase "urban renewal," and

other environmentally harmful acts within minority neighborhoods has caused significantly detrimental impacts upon the health and quality of life of our Black residents.

**WHEREAS,** Black families have simultaneously been excluded from other wealth building measures, such as access to homeownership, an essential aspect of wealth accumulation. Additionally, high correlations exist between having more income and longer life expectancy. Since social determinants of health are used to fix higher insurance rates, there is an opportunity for policy makers to address racial health and wellness disparities through holding life insurance; *and*

**WHEREAS,** Women possess life insurance policies at lower rates compared to men, and tend to have less coverage. Despite this, women are the heads of household for over a third of all abodes in Roxbury, while typically earning less than their male counterparts. Providing financial tools to women, including access to life insurance policies, helps protect particularly vulnerable family units; *and*

**WHEREAS,** MassMutual, an insurance company based in Massachusetts, piloted a program that addresses challenges faced by people of color during the COVID-19 pandemic. The HealthBridge program utilized over \$3 billion in funding to provide free term life policies worth up to \$25,000 to low-income front line workers; *and*

**WHEREAS,** The state of Florida has made classes related to money management mandatory. Research shows personal finance skills support teenagers entering adulthood by urging a greater sense of responsibility, which often leads to a life of enhanced satisfaction. Furthermore, exposure to financial literacy programs, including how to navigate life insurance policies, encourages students to utilize said life insurance policies in the future, hence causing them to benefit economically; *and*

**WHEREAS,** The City of Boston is responsible for the well-being of its residents, including parents and children; ***NOW, THEREFORE BE IT***

**ORDERED:** That the appropriate committee of the Boston City Council hold a hearing to discuss the importance of engaging in a study to assess the need for a program that would help provide life insurance policies to the poor and working class, particularly the Black working class, within the city of Boston. This program would help mend the lack of trust between minority residents and financial institutions by expanding wealth building avenues and stabilizing vulnerable family units through the providing of life long policies. Furthermore, participants will research the potential for economic growth and wealth building through policy holding. Financial advisors suggest individuals with minimal savings may commence with a term policy before converting into a life policy before the policy terminates. Qualified participants will be employed, low-income residents living in Boston.

### ORDER FOR A HEARING TO DISCUSS REINFORCING FINES OR IMPLEMENTING FUNDING FOR DISTRESSED PRIVATELY OWNED BUILDINGS AND VACANT LOTS

**WHEREAS,** Roxbury is burdened with one of the highest rates of distressed residential buildings and vacant developable land in the city of Boston, which significantly depletes the region's property values, dampens neighborhood vitality, perpetuates higher rates of crime (particularly arson), decreases walkability, and overall lowers the neighborhood's ability to sustainably grow; *and*

**WHEREAS,** Nearly two thirds of deteriorating properties within Boston remained untouched for five to fifteen years -- during which other social and environmental issues, whose solutions are often linked to the availability of repurposeful parcels, are able to fester; *and*

**WHEREAS,** A neglected yet privately-owned building within the neighboring Dorchester area was twice burned by devastating city fires, demonstrating both the safety risk unmaintained buildings pose to local residents, and costs accumulated by the city for their upkeep; *and*

**WHEREAS,** Diminished trust between Roxbury residents and city officials, and lack of public knowledge on building citation protocols, leaves dilapidated buildings unchecked by city departments; This demonstrates a need for the city to expand awareness and urgently address deteriorating properties within underserved neighborhoods; *and*

**WHEREAS,** Unproductive "land banking" practices, in which property owners hold vacant parcels of land for years while they await greater investment opportunity, counters decades long pleas from Roxbury residents for the replenishment of green community spaces in their neighborhoods; *and*

**WHEREAS,** The city of Baltimore passed an ordinance that raises fines for neglected, privately-owned buildings, discouraging the perception of city fees as a "cost of doing business" for property owners and urging them to act on their land ownership in order to combat high crime rates and blight; *and*

**WHEREAS,** Nearly a tenth of distressed buildings within Boston owe taxes totalling over \$167,993; *and*

**WHEREAS,** The city of Boston is responsible for protecting the health and safety of its residents; **NOW, THEREFORE BE IT**

**ORDERED:** That the appropriate committee of the Boston City Council hold a hearing to explore ways to address repairing vacant, trashed, or otherwise neglected lots and dilapidated buildings to property owners that are able to afford it without burden. To collaborate with the appropriate City Department to explore programs in place or the need of implementation of a program to portion newly implemented fees funding community focused grants and sustain identified private parcels thereafter in order to support Residents in undoing the results of long-term disinvestment in their neighborhood and address issues at the intersection of insufficient land use.

**ORDER FOR A HEARING TO DISCUSS THE POSSIBILITY OF  
ALLOCATING ARPA FUNDS FOR THE EXPANSION OF SOUTH BOSTON  
COMMUNITY HEALTH CENTER**

- WHEREAS:** The South Boston Community Health Center (SBCHC) is the only provider of primary and preventive care in South Boston, and they also provide a whole range of medical care and services that includes Adult Medicine, Pediatrics, Family Medicine, Women’s Health, Behavioral Health, Substance Abuse Services, Interpreter Service, Food Pantry and much more; and,
- WHEREAS:** SBCHC serves a diverse group of patients, with nearly 60% of their patients relying on some form of public assistance, 45% living at 200% below the federal poverty level; the patient base includes many of those who live in South Boston’s three major public housing developments, immigrant neighbors, seniors, low income residents, and working families; and,
- WHEREAS:** During the pandemic, SBCHC staff worked tirelessly to provide Covid-19 vaccination and testing to well over 35,000 people, and realized that there is a great need for expansion of their current building in order to provide better spacing for patients and staff; and,
- WHEREAS:** There is also a vastly increased demand for behavioral health services, and the expansion would add much needed clinical spaces to accommodate the demand for mental health services and treatment for substance abuse disorders; and,
- WHEREAS:** The American Rescue Plan Act (ARPA) provides almost \$650 million in direct funding for our city, with \$350 million yet to be firmly allocated for investments; and,
- WHEREAS:** There is a proposed \$20 million for our continued COVID-19 response, and another \$18 million to augment behavioral health services, and the expansion of SBCHC would serve to fulfill both of these proposed uses of ARPA funding; and,
- WHEREAS:** We should therefore explore the possibility of allocating ARPA funding for the expansion of SBCHC, so that this important community institution will be able to provide the critical care that the South Boston neighborhood and beyond rely on; and,

**NOW THEREFORE BE IT ORDERED:**

That the appropriate Committee of the Boston City Council holds a hearing to discuss using ARPA funds for the expansion of the South Boston Community Health Center . Representatives from the Administration, Boston Public Health Commission, the Budget Office, as well as other relevant and interested parties shall be invited to attend.

## CITY OF BOSTON IN CITY COUNCIL

IN THE YEAR TWO THOUSAND TWENTY TWO

### HOME RULE PETITION

*WHEREAS:* The Beacon Hill Historic District ("District") was created by Chapter 616 of the acts of 1955 (the "Enabling Act"), originally encompassing only the South Slope of Beacon Hill of Boston, with the intent of protecting historically important architectural features on Beacon Hill, and thereafter the Enabling Act was amended several times to enlarge the District to include more areas of Beacon Hill, including the entire Flat of Beacon Hill but only part of the North Slope of Beacon Hill; *and*

*WHEREAS:* When almost all of Beacon Hill's North Slope was added to the District in 1963 by Chapter 622 of the Acts of 1963, a section of the North Slope was not included in the District, specifically an approximately 40-foot-wide area running from Charles Circle to Bowdoin Street along the Beacon Hill side of Cambridge Street ("40-Foot-Wide Area"); *and*

*WHEREAS:* There are numerous historically significant buildings in the 40-Foot-Wide Area, including the 1896 Puffer Building, located at 214-218 Cambridge Street; *and*

*WHEREAS:* In 1963, there was apparently concern that an expanded District encompassing the entire North Slope might interfere with the City of Boston's plans at that time to build a new fire station on the Beacon Hill side of Cambridge Street, to accommodate Engine Company 4 and Ladder Company 24, which had previously been located at the Bowdoin Square firehouse that had closed in fall 1963, and which has since been constructed at 200 Cambridge Street; *and*

*WHEREAS:* Especially given the significant new development project proposed by Massachusetts General Hospital expected to begin construction shortly, it is now important that the District be extended all the way down the North Slope of Beacon Hill to Cambridge Street, so as to bring those historic buildings that remain on the Beacon Hill side of Cambridge Street into the architectural protections afforded by the District and discourage their future demolition; *and*

*WHEREAS:* Another change being proposed would give the Beacon Hill Architectural Commission ("BHAC") the specific authority to levy fines for violations of the Enabling Act, as the Enabling Act currently provides for such fines to be imposed on violators of the historic preservation rules set forth therein, but does not specifically state that the BHAC can

levy such fines, for which reason the BHAC does not currently levy fines to punish violations of the Enabling Act and the Beacon Hill Architectural Guidelines (“Guidelines”); *and*

*WHEREAS:* A further proposed change would require that any reconstruction that is done to an exterior historic architectural feature in the District after it is fully or partially altered or demolished for any reason of public safety must be done within the architectural requirements of the Enabling Act and Guidelines; *NOW THEREFORE BE IT*

*ORDERED:* That a petition to the General Court, accompanied by a bill for a special law relating to the City of Boston to be filed with an attested copy of this Order be, and hereby is, approved under Clause One (1) of Section Eight (8) of Article Two (2), as amended, of the Amendments to the Constitution of the Commonwealth of Massachusetts, to the end that legislation be adopted precisely as follows, except for clerical or editorial changes of form only.

**PETITION FOR A SPECIAL LAW RE: AN ACT TO MAKE CERTAIN  
CHANGES IN THE LAW RELATIVE TO THE HISTORIC BEACON HILL DISTRICT.**

SECTION 1. Chapter 616 of the acts of 1955, as amended by chapters 314 and 315 of the acts of 1958, chapter 622 of the acts of 1963, chapter 429 of the acts of 1965, chapter 741 of the acts of 1975, and chapter 450 of the acts of 2008, is hereby amended by striking section 1C as appearing in chapter 622 of the acts of 1963 and inserting in place thereof the following section:

“Section 1C: The Historic Beacon Hill District, created by section one and enlarged and extended by sections one A and one B, is hereby further enlarged and extended to include an area contiguous thereto bounded as follows: -northerly by the southerly sideline of Cambridge street; easterly by Bowdoin street; southerly by Derne and Myrtle streets; westerly by Irving street; generally southerly by the northerly, easterly and westerly boundaries of the area defined in section one B; southerly by Revere street; westerly and northerly by Embankment road; and northerly by the southerly sideline of Charles street circle and Cambridge street; and including the traffic island in Charles street circle; and all estates therein, including the estates located at 131 and 141 Cambridge street and 2-16 Lynde street.”

SECTION 2. The first paragraph of section 11 of chapter 616 of the acts of 1955, as amended by chapter 314 of the acts of 1958 and chapter 429 of the acts of 1965, is hereby further amended by adding at the end the following sentence:

“The commission may levy such fine or fines on whoever violates this act, after due notice and public hearing.”

SECTION 3. Said chapter 616 of the acts of 1955, as amended by chapters 314 and 315 of the acts of 1958, is hereby further amended by striking out the second sentence of section 9 and inserting in place thereof the following sentence:

“Nor shall anything in this act be construed to prevent the full or partial alteration or demolition of any such feature, which the building commissioner shall certify to the commission, with such advance notice as practicable, is immediately required on an emergency basis because of an imminent unsafe or dangerous condition; provided, however, that any full or partial reconstruction of such feature after alteration or demolition shall be otherwise subject to all of the requirements of this act.”

SECTION 4. This act shall take effect upon passage.

### ORDER FOR A HEARING ON APPROPRIATING FEDERAL RELIEF FUNDS TO STABILIZE AND EXPAND PUBLIC SECTOR PERSONNEL CAPACITY BEYOND PRE-PANDEMIC LEVELS

- WHEREAS*, A report of the Center for Labor Research and Education at the University of California, Berkeley found that national public sector employment did not recover to its 2008 pre-Great Recession peak until 2019; *and*
- WHEREAS*, The public sector has been a model for secure employment, where governments have historically employed more women and workers of color, who are more likely to have better benefits, greater job security, union representation, and opportunities to work full-time, but the sector’s post-recession period has been characterized as much weaker than previous recoveries; *and*
- WHEREAS*, March 2022 analysis of Bureau of Labor Statistics data reveal that the public sector has gained back 53 percent of jobs lost since February 2020, while the private sector has recovered 93 percent; *and*
- WHEREAS*, According to a March 2022 report of the MissionSquare Research Institute (formerly the Center for State and Local Government Excellence) of surveyed state and local government employees, 62 percent reported their organization experiencing more employees leaving their jobs voluntarily since the start of the pandemic, and of those, 78 percent express experiencing a strain on their own workloads; *and*
- WHEREAS*, A January 2022 MissionSquare report also found that 52 percent of public sector workers are inclined to consider leaving their jobs voluntarily, largely driven by burnout and compensation issues amid pandemic work conditions; *and*
- WHEREAS*, Further MissionSquare analyses reported career stage differences in public employee workplace concerns, with early career workers under age 40 being three-times more likely than later career workers to consider changing jobs due to the pandemic; *and*
- WHEREAS*, On January 6, 2022, the United States Department of the Treasury released the “Final Rule” for the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program of the American Rescue Plan Act (ARPA), specifying eligible uses categories; *and*
- WHEREAS*, Recipients may use relief funds to (1) replace lost public sector revenue; (2) respond to far-reaching public health and negative economic impacts of the pandemic by supporting households, small businesses, impacted industries, nonprofits, and the public sector; (3) provide premium pay for essential workers in critical sectors; and (4) invest in water, sewer, and broadband infrastructure; *and*

- WHEREAS,* The Final Rule outlines three main eligibility categories to bolster the City’s capacity and workforce: public safety, public health, and human services staff; government employment and rehiring public sector staff; and effective service delivery; *and*
- WHEREAS,* It is an eligible use for the City to dedicate relief funds for payroll and covered benefits for the portion of eligible staff time spent on COVID-19 response; *and*
- WHEREAS,* It is also an eligible use for the City to dedicate relief funds for payroll and covered benefits to restore pre-pandemic employment levels to a baseline of positions which existed on January 27, 2020 but were unfilled or eliminated as of March 3, 2021, as well as to increase the number of budgeted full-time equivalent (FTE) personnel up to 7.5 percent above the pre-pandemic baseline; *and*
- WHEREAS,* The City may also appropriate relief funds to support and retain public sector workers, including additional funding for personnel who experienced pay reductions, to maintain current compensation levels with adjustments for inflation, to provide worker retention incentives, and to cover costs associated with administering hiring, supporting, and retention programs; *and*
- WHEREAS,* Past City budget documents produced by the Office of Budget Management report levels of permanent full-time equivalent (FTE) personnel positions supported by the general fund at 17,093.9 FTEs at the start of 2008 prior to the recession, a low of 16,172.8 FTEs in 2012, growth to the pre-pandemic 2020 baseline of 17,693.6 FTEs, 17,714.9 FTEs in January 2022, and a projection of 18,145.0 FTEs by 2023; *and*
- WHEREAS,* The current projection of FTEs supported in the general fund by January 2023 only represents a 2.5 percent growth over pre-pandemic staffing levels, and recovery funds could help bolster permanent public sector jobs over the span of multiple fiscal years up to 7.5 percent above the pre-pandemic baseline to reach approximately 19,020.6 FTEs, an increase of up to 875.6 FTEs (4.8 percent) over the projection for 2023; *and*
- WHEREAS,* While it is necessary to enact sound fiscal policies to control and monitor costs of personnel and benefits, current and historic labor market trends and unprecedented public sector attrition must be taken into account to ensure the provision of adequate services to all residents in the City of Boston through an equitable recovery; *and*
- WHEREAS,* Unless the City factors the needs of its workforce—especially those without a collective bargaining unit—into a post-pandemic recovery, we risk further reducing local government capacity to properly function, deliver services, and be adequately prepared for the next unexpected crisis; *NOW, THEREFORE BE IT*
- ORDERED:* That the appropriate committee of the Boston City Council hold a hearing to discuss appropriating Coronavirus State and Local Fiscal Recovery Funds of the American Rescue Plan Act to stabilize and expand public sector personnel capacity beyond pre-pandemic levels, and that Administration officials from the Personnel Review Committee, Administration and Finance, Office of Budget Management, Office of Human Resources, and interested members of the public be invited to attend.

### IN THE YEAR TWO THOUSAND TWENTY-TWO

#### ORDER REQUESTING CERTAIN INFORMATION UNDER SECTION 17F RELATIVE TO THE PERSONNEL REVIEW COMMITTEE AND PERSONNEL VACANCIES

- WHEREAS*, The Personnel Review Committee (PRC), in place for over a decade, strictly controls and monitors all hiring and is comprised of the Chief Financial Officer, the Human Resources Director, and the City’s Budget Director; *and*
- WHEREAS*, The PRC has been tasked with reviewing all postings for vacant positions by agreement or contract since at least fiscal year 2006, and every fiscal year’s budget book states a variation of, “All hiring was scrutinized and only critical positions were approved”; *and*
- WHEREAS*, On June 18, 2008, precipitated by the financial crisis of 2007-2008, Mayor Thomas M. Menino issued an Executive Order requiring that, “All prospective employment contracts, whether dependent or independent, whether funded by general appropriation or grant funds, must be reviewed and approved by the Personnel Review Committee prior to any verbal or written agreement with the proposed contractor”; *and*
- WHEREAS*, The City instituted stricter controls with a hiring freeze in October 2008, where the PRC would “analyze posted positions and make recommendations for filling only strategically critical roles,” communicated through a memorandum to Cabinet officers and Department heads by the then-Director of Administration and Finance; *and*
- WHEREAS*, Each fiscal year, the City’s adopted budget presents the actual net change in full-time equivalent (FTE) personnel for the past calendar year, along with a projection for the net increase or decrease of FTEs for the current calendar year, however, the City has only met or exceeded projected increases of FTEs five times over the span of 17 years; *and*
- WHEREAS*, Volume I of the fiscal year 2022 budget book states on page 41, “The City projects a net increase in FTE levels of 406.5 from January 1, 2021 to January 1, 2022,” while Volume I of the fiscal year 2023 recommended budget states on page 42, “The total net decrease in FTEs from January 1, 2021 to January 1, 2022 was 178.2” and that “The City projects a net increase in FTE levels of 421.7 from January 1, 2022 to January 1, 2023; *and*
- WHEREAS*, Budget summaries available through the Office of Budget Management website indicate the elimination of over 100 “long-term vacant” positions in the FY17 budget, 23 in FY18, 10 in FY19, nine in FY20, 16 in FY21, 14 in FY22, and 14 additional “long-term vacant” positions in the proposed FY23 budget, totalling over 186 positions eliminated; *and*
- WHEREAS*, While stringent fiscal management in a budget where personnel and benefits account for over three quarters of the City’s total appropriations is needed, effects of chronic understaffing, stagnant hiring, and onerous human resource processes across City departments and agencies have negative consequences on the provision of services and quality of life for residents; *NOW, THEREFORE BE IT*

*ORDERED:* That under the provisions of section 17F of Chapter 452 of the Acts of 1948, as amended, and any other applicable provision of law, the Mayor be, and hereby is, requested to obtain and deliver to the City Council at a hearing of a committee thereof, through the members of the Personnel Review Committee, being the Chief Financial Officer, the Director of the Office of Budget Management, and the Director of the Office of Human Resources, to be held not earlier than one week of the receipt hereof, the following information:

- 1.) Detailed descriptions and process charts outlining the current steps required of Cabinet officers and Department heads to obtain approval for posting and filling vacant personnel positions, as well as any upcoming changes pending implementation; and
- 2.) Details of any written policies or procedures adopted by the Personnel Review Committee, Chief Financial Officer, Director of Human Resources, or Director of Budget Management to determine what vacancies to approve filling or what vacant positions to eliminate; and
- 3.) A list of dates the Personnel Review Committee met in fiscal years 2020, 2021, and 2022 to date, and records of decisions made regarding personnel vacancies; and
- 4.) Copies of any memoranda or correspondence from the Personnel Review Committee, the Chief Financial Officer, the Director of Human Resources, or the Director of Budget Management, from fiscal year 2020 to present, to Cabinet officers or Department heads relating to the required process for filling or eliminating vacant positions; and
- 5.) A list of job titles, descriptions, departments, and justification for each of the approximately 190 “long-term vacant positions” eliminated from fiscal year 2017 to present, including:
  - a.) Length of time each position was vacant prior to being eliminated; and
  - b.) The number of similar or equivalent positions which existed; and
  - c.) The collective bargaining unit associated with the eliminated position, if any; and
  - d.) Date(s) a Cabinet officer or Department head submitted an approval request form to the PRC to fill a vacant position; and
  - e.) Whether the elimination of the position was at the request or recommendation of the Cabinet officer, Department head, or otherwise; and
  - f.) Whether the functions of the eliminated role were subsequently, or currently are being, fulfilled by contract, and the contract amount; and
- 6.) The total amount of new hires by department and current net change in full-time equivalent (FTE) personnel from January 1, 2022 to date, and details of any plans to achieve the projected net increase of 421.7 FTE from January 1, 2022 to January 1, 2023 as stated on page 43 of Volume I of the fiscal year 2023 recommended budget; and
- 7.) Details of current requests to post or fill personnel vacancies submitted by Cabinet officers or Department heads pending PRC approval.
- 8.) The current fiscal year 2022 FTE utilization rate by cabinet, department, and program.

### ORDER FOR A HEARING ON GOVERNMENT ACCOUNTABILITY, TRANSPARENCY, AND ACCESSIBILITY OF DECISION MAKING PROTOCOLS IN CITY GOVERNMENT

- WHEREAS,** Sherry Arnstein, writing in 1969 about citizen involvement in planning processes in the United States, described a “ladder of citizen participation” that showed participation ranging from non-participation to full citizen control, where the people handle the entire job of planning, policy making and managing a programme; *and*
- WHEREAS,** The City of Boston creates numerous resources for housing, education, public safety, public health, zoning, and more, but these resources are often inaccessible for individuals most directly impacted by the systemic issues these resources were created to help overcome; *and*
- WHEREAS,** Protocols and procedures in the City of Boston, established either through the city charter, legislative action, or as a result of the discretion of city officials, has created a civic culture where only those with the most privileged access are able to play an involved role in all aspects of decision making; *and*
- WHEREAS,** In a survey of attitudes towards the City's COVID-19 response, just 9% of residents surveyed 'strongly agreed' that their voice was heard and represented in policy decisions and nearly a quarter of respondents ‘strongly disagreed’ that their voice was heard and represented in policy decisions; *and*
- WHEREAS,** Section 35 of the Boston City Charter states that “All heads of departments and members of municipal boards, including the board of street commissioners, as their present terms of office expire (but excluding the school committee and those officials by law appointed by the governor), shall be appointed by the mayor without confirmation by the city council”; *and*
- WHEREAS,** For a large number of departments and agencies in the City of Boston, including the Zoning Board of Appeals, the Equity and Inclusion Cabinet, and the Budget Office, the City Council and the people of Boston do not have any say in

determining the qualifications for those positions or in identifying qualified candidates; *and*

**WHEREAS,** While the Council budget process allows for public testimony, many budget processes, including its working sessions and the determination of the spending of American Rescue Plan Act (ARPA) funding, is done without consistent collaboration with the community and the Council; *and*

**WHEREAS,** In November of 2020, the Boston City Council held a hearing on public hearings as they relate to Government Accountability and Accessibility in the hopes of learning more about the process of making Council decision-making more accessible and accountable to the people; *and*

**WHEREAS,** Since then, the City Council has created a Committee on Government Accountability, Transparency, and Accessibility, whose stated goal is to review the efficiency, effectiveness, and accessibility of City operations and programs; *and*

**WHEREAS,** More work needs to be done to ensure that the Boston City Council, the Mayor's administration, and every department and agency in the City of Boston are creating accountable, transparent, and accessible decision making protocols;  
***NOW THEREFORE BE IT***

***ORDERED:***

That the appropriate committee of the Boston City Council holds a hearing on Government Accountability, Transparency, and Accessibility of Decision-Making Protocols in City Government. Representatives from the City of Boston, as well as community advocates are encouraged to attend.

### RESOLUTION OPPOSING STATE RECEIVERSHIP FOR BOSTON PUBLIC SCHOOLS

- WHEREAS,** In February of 2020, the Department of Elementary and Secondary Education (DESE) published a review, finding that 34 of BPS schools had student populations which scored in the lowest 10% on the state’s MCAS standardized exam, which triggered fears that the state would push for receivership of Boston Public Schools; *and*
- WHEREAS,** In response to this report, Superintendent Brenda Cassellius worked to develop a Memorandum of Understanding (MOU) with DESE, outlining several goals and initiatives, including bolstering support for students with special needs, establishing equitable access to student supports, and focusing on academic improvements in the lowest-performing schools; *and*
- WHEREAS,** Since the MOU was agreed to, many of these improvements have been underway, including the hiring of dozens of family liaisons, social workers, and other funding for wraparound support; *and*
- WHEREAS,** While many improvements still need to be done, some members of the Board of Elementary and Secondary Education (BESE) have once again called for state receivership of Boston Public Schools; *and*
- WHEREAS,** The Department of Elementary and Secondary Education launched a second audit of Boston Public Schools in March, 2022, a year before the scheduled end date of the MOU; *and*
- WHEREAS,** This second audit is a legally required step before DESE can put the Boston Public Schools in receivership; *and*
- WHEREAS,** State receivership of Boston Public Schools has received opposition from parents, students and educators, and other local leaders; *and*
- WHEREAS,** While the Commonwealth has taken receivership of school districts in the past, the districts which are still under receivership—Southbridge for the past five years, Holyoke for the past six years, and Lawrence for the past nine years—remain among the 10 lowest-ranked school districts in the state; *and*
- WHEREAS,** According to DESE-published data, BPS has outperformed all the DESE-controlled receivership districts in both ELA and Math, at both the elementary and secondary levels, both before and during the pandemic; *and*

**WHEREAS,** 75% Boston Public Schools students are Black and Latinx and we need local school authorities who best understand the community to lead and fight for the academic achievement of BPS students; *and*

**WHEREAS,** While the Boston Public Schools has an Office of Equity working to implement a racial equity protocol across the district, the Commonwealth of Massachusetts Department of Education does not use a racial equity protocol; *and*

**WHEREAS,** Research by Domingo Morel points to the fact that ‘predominantly Black school districts are more likely to be taken over, and that cities with a greater share of Black city council members are more likely to face takeovers;’ *and*

**WHEREAS,** Previous state interventions in Boston Public Schools, with the Dever and the Holland, have similarly produced few improvements, unchecked suspensions, and a 50% decrease in Latinx teachers and the destruction of the dual language program at the Dever; *and*

**WHEREAS,** BPS in each of the last four years has had higher teacher retention rates than the receivership districts under direct DESE control, with rates particularly low in Holyoke and Southbridge, raising serious questions about the disruptive impact of state intervention on both the workforce and students; *and*

**WHEREAS,** In March of 2022, local elected officials, including Mayor Wu, in addition to educators, family members, and school communities have spoken out against receivership directly to the Board of Elementary and Secondary Education; *and*

**WHEREAS,** The Boston City Council Committee on Education held a hearing on April 11, 2022 on an Order for a hearing on State Receivership of Boston Public Schools, during which advocates, educators, students, family members, and community members spoke out against the threat of a state takeover of Boston Public Schools; *and*

**WHEREAS,** NO district or school put in receivership in Massachusetts has ever been released by the state; *and*

**WHEREAS,** The City of Boston has declared racism a public health crisis and we have an obligation as a City to ensure that students in Boston Public Schools are on a pathway to academic success and that the people closest to the issue are able to determine what success looks like; ***NOW THEREFORE BE IT***

**RESOLVED:**

That the Boston City Council voices its strong opposition to the possibility of state receivership or other forms of state control of Boston Public Schools; ***AND BE IT FURTHER***

**RESOLVED:**

That the Boston City Council continues to work with Boston Public Schools, the Boston School Committee, the Boston Teachers Union, the Boston Education Justice Alliance, and others to ensure that our students are on a pathway to success.

### RESOLUTION TO NAME THE DISTRICT SEVEN ART CORRIDOR THE ARTery

- WHEREAS,** The area spanning from Mass Ave and Columbus Ave to Grove Hall contains a high prevalence of diverse local businesses, but suffers from an unfortunate confluence of vacant lots, diminishing pedestrian traffic, and a lack of public spaces; *and*
- WHEREAS,** The ARTery would counteract this unsatisfactory status quo by establishing cultural landmarks, commissioning artists, activists, and entrepreneurs to transform unused lots into community spaces, renovating deteriorating streets and sidewalks, and authorizing tour bus routes through culturally rich Black and Brown neighborhoods; *and*
- WHEREAS,** The ARTery represents the economic revitalization and artistic appreciation of historically disinvested and currently marginalized communities; *and*
- WHEREAS,** By highlighting existing public art and commissioning new artistic displays along the route, employing local artists and creatives to beautify businesses, and contracting entrepreneurs and culturalists to activate unused city owned lots, we can do much to enliven and enrich our communities; *and*
- WHEREAS,** That this endeavor would increase foot traffic, help fortify and strengthen long existing and up and coming commercial districts and small businesses, as well as create the conditions for alternative modes of transportation for pedestrians, bikers and bus riders; *and*
- WHEREAS,** This process of beautification that the ARTery embodies includes street and sidewalk renovations, the inclusion and incorporation of potted plants, new trees, light poles, and recycling bins; *and*
- WHEREAS,** That said revitalization and renovation would bring the impacted commercial districts and the surrounding communities they service and support up to par with other recently revitalized locations throughout the city; *and*

- WHEREAS,** That area residents would significantly benefit from the reduction in stress and the greater sense of ownership, belonging, and community pride that would develop as a result; *and*
- WHEREAS,** That all residents deserve to be heard, seen, and valued by the city of Boston; *and*
- WHEREAS,** That public art is capable of radically transforming city owned infrastructure, including streets and vacant lots, into eye catching and meaningful representations of the artistic, cultural and liberatory realms of the community and its members; *and*
- WHEREAS,** Unsightly and unseemly empty lots are currently lying vacant along the corridor; *and*
- WHEREAS,** Contracting local entrepreneurs and artists to activate the area into a variety of converted uses would mutually empower communities and strengthen and create partnerships with local businesspeople; *and*
- WHEREAS,** Revitalization along the corridor includes allotting the proper space for pop up shops, and for local artists and entrepreneurs to produce and sell their excellent, enervating, and eclectic work; *and*
- WHEREAS,** Bodegas serve as informal yet integral community spaces where diverse people casually convene and converse on a daily basis; *and*
- WHEREAS,** Refacing and beautifying locally owned bodegas and corner stores would incorporate businesses within the purview of the ARTery and reflect the variety of cultures represented by the owners of the establishments under consideration; *and*
- WHEREAS,** Existing murals within close proximity of the corridor emanate values pertaining to culture, perseverance, community and joy; *and*
- WHEREAS,** The economic, social and cultural advantages that would accrue to various stakeholders in the city make the ARTery an exciting prospect that brings a plethora of positive possibilities to the impacted communities: **NOW, THEREFORE BE IT**
- RESOLVED:** That the Boston City Council, in the properly assembled meeting, supports the naming of the District Seven Art Corridor whereby the area from Massachusetts Avenue and Columbus Ave. (Jazz Square) to Northampton Street to Shawmut Ave. to Melnea Cass Blvd. to Washington Street to Dudley Street to Blue Hill Ave. to Seaver Street to end at 300 Walnut Ave. Roxbury, MA 02119 at the Museum of the National Center of Afro-American Artists, the ARTery.

### RESOLUTION RECOGNIZING THE CONTRIBUTIONS OF AFRICAN AMERICAN MILITARY VETERANS AND RECOGNIZE AFRICAN AMERICAN MILITARY HERITAGE DAY

**WHEREAS,** Every year in our Boston community, the Organization of Afro-American Veterans and other military veterans organizations gather at General Edward O. Gourdin Veterans Memorial Park to perpetuate the history and contributions of African American Military Veterans; *and*

**WHEREAS,** They honor African-American military and civil service at all levels by telling their stories through command information channels; *and*

**WHEREAS,** Boston will continue to support our United States African American military and veterans to show that our city strongly embraces diversity as a way to create a system that maximizes individual talents, and increases morale - regardless of race, color, or gender; *and*

**WHEREAS,** In 2020, Black Soldiers comprised approximately 21% of the active-duty Army, 15% of the Army National Guard, and 21% of the Army Reserve. Black Americans serve in the Army at a higher rate than their representation in the U.S. population; *and*

**WHEREAS,** 43% of the 1.3 million men and women on active duty in the United States military are people of color. Of the 41 most senior commanders in the military, only two are black; *and*

**WHEREAS,** The purpose of annually celebrating African Military Heritage Day in Boston is to acknowledge the service and contributions of African American Veterans of all wars. The history will not be forgotten, and I'm pleased to say that the Veterans Memorial Park in Roxbury plays a part in this commemoration; **NOW,  
THEREFORE BE IT**

**RESOLVED:** That the Boston City Council passes a resolution to acknowledge African American Military Heritage Day on Saturday, May 21<sup>nd</sup>, 2022.

## Matters in Committee

---

The following matters were previously filed with the City Council and have been referred to a committee. Matters in committee can be brought back before the City Council pursuant to City Council Rule 24. The following *definitions* describe different types of matters in committee:

- Ordinances:*** Local laws enacted by the Boston City Council and the Mayor that become part of the City Code of Ordinances.
- Loan Orders:*** Authorization for the City of Boston to incur debt and expend money for projects, purchases, or other obligations.
- Orders:*** Directives that authorize action. Orders are legally binding but are not part of the City Code of Ordinances.
- Home Rule Petitions:*** Requests for special acts that concern a particular municipality. Home Rule Petitions require approval of the Boston City Council and Mayor, as well as passage by the state legislature.
- Order for a Hearing:*** A formal request sponsored by a councilor that a committee of the Boston City Council conduct a hearing about a particular matter, issue, or policy that impacts the City of Boston. An Order for a Hearing is not a law and is not voted on by the City Council. The only action concerning an Order for a Hearing that can be taken at a City Council meeting is the administrative action of placing it on file.
- Legislative Resolution:*** A recommendation concerning policy issues that may urge action on particular matters. Legislative resolutions have no legal effect. Legislative resolutions represent a particular position or statement by a Councilor, Councilors, or the City Council as a whole.
