Boston, MA 02201

February 11th, 2026

Dear Madam President,

I am writing to inform you that unfortunately, I will be unable to attend today's City Council meeting due to my current commitment at a conference in Washington, DC. A representative from my staff will be listening in and following up with me upon my return. I appreciate your understanding, as well as that of the entire City Council.

Sincerely,

Julia Mejia
Boston City Council At-Large
