Re: Letter of Absence

Dear Council President Flynn and Clerk Geourntas,

I am writing to inform you of my absence at today's, February 8, 2023, City Council Meeting. Please note that I will be traveling to Washington DC with 15 Boston residents for the annual Dominicans on the Hill conference. A representative from my staff will be listening in and following up with me, and I will thoroughly review the video and meeting minutes. Please read this matter into the public record. Thank you!

Sincerely,

Julia Mejia
