

City of Boston IN CITY COUNCIL

OFFICIAL RESOLUTION

OFFERED BY

Councilor Sharon Durkan

Be It Resolved, that the Boston City Council Recognizes:

The Learning Project Elementary School

RECIPIENT OF THE 2026 JR. PARK ADVOCATE AWARD

The Boston City Council recognizes The Learning Project Elementary School as the recipient of the 2026 Jr. Park Advocate Award. Through its hands-on Environmental Sustainability Curriculum and school-wide commitment to environmental stewardship, The Learning Project is instilling in the next generation the spirit of care and advocacy embodied by the Friends of the Public Garden and its mission to renew, care, and advocate for Boston's treasured parks and public spaces. Students from kindergarten through fifth grade are taught about the environment, sustainability, and social responsibility, and then given the opportunity to put those lessons into action, developing into leaders and advocates who will help care for our planet. The Boston City Council commends the students, educators, and staff of The Learning Project Elementary School for their commitment to the environment and Boston's green spaces and extends its sincere congratulations on this well-deserved recognition.

By: Elizabeth Breacon
President of the City Council

Attest: Alyson Gonsky
Clerk of the City of Boston
