September 14th, 2022

Dear Council President Flynn,

I am writing to inform you of my absence during today's City Council meeting. A representative from my staff will be listening in and will follow up with me as necessary. I look forward to watching the proceedings when time allows and continuing the conversation around topics as needed. I wish all of you a productive afternoon, and I look forward to reconvening with all of you next Wednesday.

Sincerely,

Tania Fernandes Anderson
Boston City Councilor, District Seven
