TO THE CITY COUNCIL

I return herewith undersigned and disapproved the amended Docket #0920, "An Ordinance Amending City of Boston Code, Ordinances V, Section 5-5.10 regarding Salary Categories for Certain Offices, and City of Boston Code, Ordinances, Chapter II, Section 2-8.1, Salary of City Councilors, and Section 2-7.11, Salary of the Mayor," regarding compensation adjustments for Mayor, City Council, and other City appointed positions dictated by municipal code passed by your Honorable Body on October 5, 2022. I am vetoing these pay raises for the reasons set forth in this letter.

When this Administration assumed office on November 16, 2021, we faced a series of immediate and pressing issues, but one of the most challenging was the fact that every single collective bargaining agreement with our City unions had expired—an unprecedented situation. The overwhelming majority of our City workforce had been working without any pay increase since 2019, then served on the frontlines of the pandemic.

Over the last ten months, our Administration has moved aggressively to settle expired collective bargaining agreements. We now have the vast majority of our City workforce under contract, and we are working diligently to settle the remaining open contracts. Boston's municipal workforce, like our residents, also now face growing inflation and staggering public transportation challenges.

Like all workers, our elected officials should receive salary increases, but they should square with the increases that our frontline workers have received and are receiving in the contracts that we continue to settle. Respectfully I urge this Honorable Body to adopt our original recommendation.

Thank you for your service and consideration.

Sincerely,

Michelle Wu
Mayor of Boston

TO THE CITY COUNCIL

Dear Councilors:

I hereby transmit for your approval an Order amending City of Boston Code, Ordinances, Chapter V, Section 5-5.10 regarding Salary Categories for Certain Offices, and City of Boston Code, Ordinances, Chapter II, Section 2-8.1, Salary of City Councilors, and Section 2-7.11, Salary of the Mayor.

Over the past few months, my Administration has contracted with Deloitte Consulting to review salary ranges of positions throughout the City of Boston to assess and analyze the level of compensation for the City's elected officials and key leadership positions. Following the completion of this analysis, the Compensation Advisory Board was briefed on the findings and they have issued a set of recommendations about the appropriate salary ranges for the Mayor, the City Council, and various appointed positions. The purpose of these amendments is to adjust the level of compensation for the City's elected and appointed officials pursuant to that recommendation. Any changes to the salary range of elected officials will not take effect until after the next relevant election.

I urge your Honorable Body to act favorably on the proposed amendments without delay.

Sincerely,

Michelle Wu
Mayor of Boston

Re: 17F Request related to 1905 and 1911 Centre Street, West Roxbury, 02132

Dear Councilor Lara:

We have received the attached demand for records under the Massachusetts Public Records Law, filed with the City Council pursuant to Section 17F of Chapter 452 of the Acts of 1948. As an initial matter, please note that this response is limited to the Inspectional Services Department and does not include any potentially responsive documents or information from the Boston Planning and Development Agency, which is a separate City Agency. Specifically, your request seeks:

1. A breakdown of all properties for ISD issued demolition permits for buildings that were pending landmarks or designated landmarks on the date of issue.

2. Documentation of the date, time, and employee who approved ISD permit no. SF1360406.

3. An explanation for the issuance of a Stop Work Order following demolition of 1911 Centre Street.

4. Copies of all ISD and BPDA documents, including employee emails and text messages, related to 1905 and 1911 Centre Street, sometimes referred to as 1905-11 Centre Street, West Roxbury, dating 01/01/2013.

1010 MASSACHUSETTS AVE • 4TH FLOOR • BOSTON • MASSACHUSETTS • 02118
617-961-3465 • Edward.Coburn@Boston.gov

With respect to Request No. 1, enclosed please find a report of all exterior demolition and raze work type permits issued over the past 3 years and the inspection, Landmark, and Demolition Delay review history for them. These reviews include confirmation of approval from the Boston Landmarks Commission when relevant.

With respect to Request No. 2, Deputy Building Commissioner Marc Joseph issued Building Permit No. SF136O0406 on August 9, 2022. A copy of this permit is enclosed.

With respect to Request No. 3, Commissioner Sean Lydon issued a temporary Stop Work Order for the work under SF1360406 on Friday, August 12, 2022 to allow ISD staff to confirm that all internal procedures were followed and that all required documentation had been submitted in connection with the application for the demolition permit. Upon completing this review on August 17, 2022, ISD lifted the Stop Work Order at 1905 Center St. West Roxbury and allowed the demolition work to resume.

With respect to Request No. 4, attached are all responsive ISD documents related to this address, including emails. In addition, ISD Commissioner Sean Lydon received one text message, a copy which is also included.

We trust that this response satisfies your 17F request as it relates to the Inspectional Services Department. No responsive documents or information have been withheld from ISD's production.

Please let us know if you have any questions or concerns regarding the information and documents provided.

Sincerely,

Edward Coburn, Esq.
