Councilor Lara called Docket #1105, message and order authorizing the City of Boston to accept and expend the amount of Four Hundred Sixteen Thousand Three Hundred Sixteen Dollars (\$416,316.00) in the form of a grant for the Smart and Connected Communities, awarded by the National Sciences Foundation, passed through Northeastern University, to be administered by the Mayor's Office. The grant will fund the Common SENSES (Standards for Enacting Sensor Network for an Equitable Society) project, which is focused on climate resilience and capital development along the Blue Hill Avenue corridor. The project partners are Northeastern University's Boston Area Research Initiative, Mayor's Office of New Mechanics, Dudley Street Neighborhood Initiative and Project RIGHT, from the Committee on Environmental Justice, Resiliency and Parks.

No objection being heard, the matter was before the body.

Committee members polled; yeas 5.

On motion of Councilor Lara, the rules were suspended; the order was passed.
