Councilor Lara called Docket #1375, message and order authorizing the City of Boston to accept and expend the amount of Twenty-Five Million Dollars (\$25,000,000.00) in the form of a grant, for the Commonwealth Builder Program, awarded by the Massachusetts Housing Partnership to be administered by the Mayors Office of Housing. The grant will fund the creation of workforce homeownership units and long-term availability of those units to eligible moderate-income households, from the Committee on Housing and Community Development. Hearing no objection, the matter was before the body.
On motion of Councilor Lara, the order was passed; yeas 12.
