Councilor Worrell called Docket #0813, message and order for your approval an Order that will authorize the Department of Innovation and Technology (DoIT) to enter into a contract with a term of, up to, seven years for data center hosting with colocation and fiber interconnection to provide uninterrupted functionality. Such a contract would support citywide services and operations, from the Committee on City Services and Innovation Technology.

No objection being heard, the matter was before the body.

On motion of Councilor Worrell, the order was passed.
